

Dear Friends and Family,

As my time here in Africa is quickly coming to an end, I want to thank you for all your love and encouragement you have given me over the last 6 months. I could not have been here without you.

The Lord has taught me so much about who He is and what He wants me to do in future ministry. As I watch how the Lord is moving in my life and the life of the women here in Africa, the Lord has put it on my heart to pursue coming back to Kenya.

As the months passed I told myself that I didn't want to make a decision until I returned back to the states. But the more I tried to wait and the more I tried not to think about coming back to Kenya, the stronger the calling became. I realized that waiting until I came home and processing there, would not

change the fact that the Lord is calling me to come back to Kenya. So, after a lot of prayer I have decided to pursue coming back to Kenya and serve the Lord full time here. After this part of my internship in Africa is done I will be returning back to LaGrange, WY to complete my internship with Tentmakers Bible Mission. I will be working part-time in the home office and doing other ministry around the area. I am so excited that the Lord is blessing me with the time I will have back in LaGrange! LaGrange is like a second home to me and I'm looking forward to seeing how the Lord works everything out.

When I complete my internship in May I will be starting to fund raise for my return to Africa. My hopes are to have all my support raised in one year so that I can be back in Africa by next October.

If you could please be praying for all that has to happen in the next few months and the coming year, it would be a great blessing to me.

Please pray for...

-Gods timing

-Trust in what God has for me when I come home

-Faith that the calling He has put on my life will be my heart beat every day.

Thank you for all that you have done for me, God has used you mightily during my time here in

Brad and Ellie and the kids have been such a blessing to me. I cannot thank them enough for all the love, encouragement, advice, council, and support they have given me. I love them so much and count it as the biggest blessing that the Lord saw fit to have us minister together during this time. Thank you Brad and Ellie for everything that you have ever done for me.

Kenya. You are such a blessing to me. Thank you from the bottom of my heart!

If you want to continue your financial support during the completion of my internship, my fundraising time and on into my future plans to return to Africa, that would also be a blessing to me. I have loved having you on my team for the journey thus far and would love to continue to run this race with you by my side. Thank you for every prayer, every thought, and every encouragement you have given me. It has meant the world to me.

Because of His Grace

Love & God Bless
