Fall...

in love with the Lords faithfulness!

- Jaimie, Leah and I celebrating Leah's birthday in Cheyanne

I'm so grateful for these godly women who are always there for me.

- I'm loving the fall season this year, I was in Kenya last year at this time so I didn't get to enjoy it. The Lord has been blessing me with opportunities to marvel at His creation...to really see His faithfulness even through the changing of the seasons....

I have been traveling a lot the last few months. I was able to spend time in LaGrange at my mission home Tentmakers Bible Mission, and had a great time catching up with students at Frontier. I was able to share my ministry while I was in the area as well. The Lord's faithfulness is blowing me away as He has me out on deputation and preparing me to return to Kenya.

As I spend time in God's word I'm reminded of all the Lord did for Israel in the wilderness. As they agreed to serve Him and do all that He commanded them, then they turned right around and did what they wanted to do instead...but He was faithful to them. Then as they grumbled and cried about having nothing, saying they would have been better off if they stayed as slaves in Egypt... He remains faithful and provided and cared for them.

Deuteronomy 7:8-9

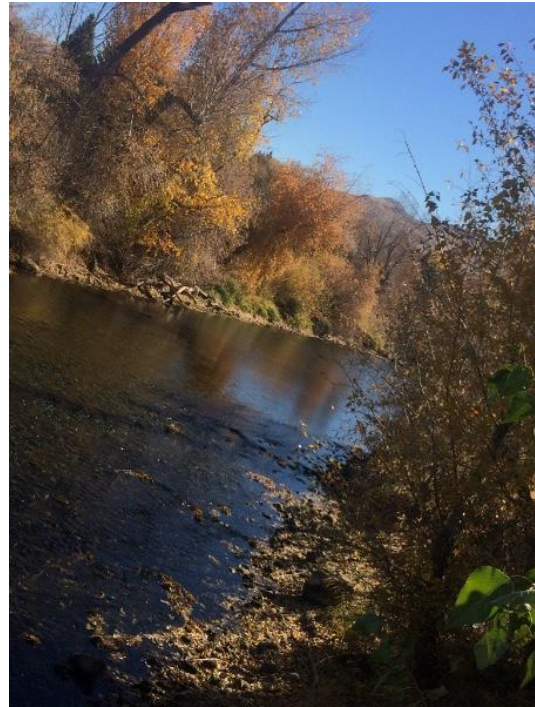

"But because the Lord loved you and kept the oath which He swore to your forefathers, the Lord brought you out by a mighty hand and redeemed you from the house of slavery, from the hand of Pharaoh king of Egypt. Know therefore that the Lord your God, He is God, the faithful God, who keeps His covenant and His lovingkindness to a thousandth generation with those who love Him and keep His commandments"

Time and time again we see the Lord providing and protecting His

people...being faithful to them and being faithful to His promise. The Lord is always faithful to what He says....His character never changes...I am so thankful for that.

I know that I can sometimes fall into being like Israel in the wilderness...wandering around asking what is next...how is it all going to work out...Maybe I should have just stated where I was...it was safe there and easy there...But the Lord in His faithfulness always sees me through. When He says He is going to do something... He will do it...and He will always care for me along the way. So as I wander....And wonder how its all going to work out...the Lord remains faithful and because of that I can remain faithful to what He is calling me to do.

- The long road from LaGrange WY to Morgan Utah
- Helen and I in Morgan Utah
- Beautiful fall colors and great weather...what a blessing it has been

So, as He shows me His faithfulness...He is adding people to my ministry...through prayer support and financial support...through the many opportunities He is giving me to share my ministry... by giving me opportunities to serve right where I am...as I raise support to return to Kenya.

I have been in Morgan Utah for about 3 weeks now and will be here for another week. Ron and Wanda Thompson (Ron is the Executive Director of Tentmakers Bible Mission) have been hosting me and taking me to churches where I had the privilege of sharing the Lords faithfulness, not only to me...but His faithfulness to the people of Kenya. It has been such a blessing to be here with the Thompson. To be able to get to know them better and see their hearts

for the Mormon community. Also for their hearts for the community of missionaries they serve as well. It's amazing to me how the Lord has provided a Mission for me to call home... that not only seeks to do the Lord's will for themselves...but for me as well. I am truly blessed by the years of experience, care, prayer and guidance Tentmakers Bible Mission has provided for me. Thank you so very much.

As I continue to share my ministry and raise support would you please be in prayer for all the Lord is doing. His faithfulness is so amazing...it blows me away everyday...and His peace that comes along with it.. is the best blessing of all.

Thank you for all your love, prayers and encouragement during this time. I could absolutely NOT be doing what I am doing without you.

Because of His Grace

God Bless

Le Ann*
