

THE HARRIS HAPPENINGS

Kids enjoying sugarcane at a friend's house

Let them give thanks to the LORD for his unfailing love and his wonderful deeds for mankind, for he satisfies the thirsty and fills the hungry with good things.

Psalms 107: 8-9

This month we want to just share some praise reports as well as send some more prayer requests. Hopefully, this will help you to know how to better be in prayer for us, and to also let you know some of the ways your previous prayers may have been

answered. As always, thank you for your faithful prayers, love and support of our family, and the Lord's work here in Kenya. We are so very grateful to God for you, and all that you do. May He bless you, as you are such a tremendous blessing to us!

In Christ,
the Harris family

Classes are going well. Pastor Boniface and the other men continue to learn. Pray that their hearts will be changed and they will put their faith into practice.

After each class we always have chai (tea) and bread. It's also an opportunity to ask more questions. I like when they ask questions, because it helps me to get a better understanding of where they are coming from. Pray that they will take what they have learned and share it with others also.

“Teach these things to faithful men, who will be able to teach others also.”

Praises & Prayer Requests:

JUNE UPDATE

Prayer

Requests:

- That the Lord would be preparing the hearts of all involved in this short-term trip “June 18th-28” to see and learn and receive from Him how He desires: including the team from the US, those sending them out, the people of Kenya, and our family, etc.

Praises:

- We have a team of visitors from the Bible School coming in June!
- We were able to proceed smoothly and quickly through a required exercise regarding paperwork for foreigners this month, to verify our being in country
- For the privilege of being here in Kenya as ambassadors for Jesus Christ

- A couple of our kids have been suffering from a viral skin infection for some time now. Please pray for the Lord's complete healing. (And for patience on our part, according to HIS timing).
 - For wisdom from above as for how to help those who are hurting and/or in need of some sort of help.
 - And that we too, would look to the Lord alone as the only True answer.
 - Our overall health and energy has improved
 - 'The Lord continues to bring faithful attendants to the weekly classes; and though slow and small, growth is visible.
 - Homeschool is going well. Similarly, we feel we are also able to see some growth and maturity in those we disciple at home :)
 - For the faithful provision and protection of the Lord in our lives
