June-July 2018

"If the Spirit that raised Jesus up from the dead dwells in you, he that raised up Christ from the dead shall also quicken your mortal bodies." Ro 8.11

What a joy to see that everything that the Lord touched was made clean, restored, delivered... and what a power did the Spirit manifest in the resurrection. So it is when the Lord through his word and Spirit enters the lives of individuals: that living and powerful presence will expand and prevail! We praise the Lord for these two months in the ministry

June: End of school year, seven graduates for the Lord's service (23rd June)

For secular Spain, these are great numbers. Their age span ranges between 25 and 40 years old. Sharing something about some of them, two of the men are already serving in a pastoral ministry. One girl is working in a Christian organization to rehabilitate marginal women. It has been a privilege to be a part of their spiritual, ministerial, and theological formation.

In Facultad Internacional de Teología, next year I will reduce my commitment to teach, leaving some administrative tasks. I will be teaching Introduction to NT, Bibliology, Theology and History of Worship, and History of Christianity in Spain. Two subjects a semester.

June and July: Baptisms and Conversion

desired to be baptized. Please keep on helping us through prayer for our young people.

July: Some days of rest

In July we took five days to go to the Pyrenees, a three hour drive from our home. We went to a small town "at the end of the road", close to Catalonia's highest mountain (Pica d'Estats 10.311 ft). Even Loida with her husband could accompany us for a couple of days. It was a great time of refreshment before "vacation month" begins, August, and many families at different points of the month will depart and others will come visiting.

Prayer Requests

- Please keep praying for our youth, that they will come to and grow firmly in Christ.
- We need wisdom and vision to plan two evangelistic efforts: the first week of September, and Reformation week in October.
- We praise the Lord for Loida, who graduated in Psychology and grows on in the Lord with her husband.
- Pray for Miriam and Estela (desirous of baptism and recently saved respectively), and that others will step forward for baptisms, which we desire to have around November.

It is difficult to express with words the joy we have for the Lord's work among our youth (15+). Some are really in deep need of coming to Christ, but He is steadily bringing one by one, unto himself. On June 10th, Valeria was baptized. Last Sunday, a 40 year old lady was saved. This past Sunday, a 17 year old girl

Thank you for your prayers and support

Thank you very much for your loving friendship in Christ. Thank you very much that some of you have extended your financial support, more than the 25% that we and TBM suggested. Your support has greatly helped us to finish some needed repairs in our home, which we could not do when we moved. If you desire more information about our support level or situation, you may contact us personally. May the Lord help us all to walk on in his wonderful service, and may he supply with his presence for the desired fruit, which may redound to his honor. May the Lord richly bless you.

In Christ,
