

UPDATE: Report from the Thompson's

May/June 2016

Praise & Prayer

- Praise for a great 2015/2016 school year at Frontier
- Prayer for our extensive travel & ministry in June
- Praise for a wonderful TBM Candidate School, adding 7 new missionaries.
- Prayer for our upcoming move back to Utah on July 7, after 8 years in Wyoming.
- Praise for a dedicated Home Office Team!
- Prayer for strength and stamina for us as we move back to Utah in July.
- Praise for the goodness and faithfulness of God over the past 45 years.

Tentmakers Bible Mission P.O. Box 160 LaGrange, Wy. 82221

45 Years of Missionary Service

Even as I write this, it seems strange to think that Wanda and I have been serving the Lord together this long!

The picture below tells another story however. So many blessings... so many people...

so many memories have marked our journey through the past four and a half decades. God has been so very good to us, and we acknowledge that apart from His grace we could have accomplished nothing.

That God would be pleased to use us remains the greatest joy we have known. In 5 short weeks we will return to Utah to resume our ministries at Elim House and with the missionaries and churches on the Utah, Idaho, Nevada field.

The past 8 years in Wyoming have been great, but new challenges and opportunities await!

5,000 Mile Trip

In ten days we will leave on a 4 week trip that will take us through the Midwest and all the way to Maine.

We will be sharing updates with 4 of our supporting churches, renewing fellowship with old friends, and have opportunity to spend some special time with family!

We ask you to pray for us as we make this trip, and as we return on June 30, and will have one week to complete our packing and prepare for the 500 mile move back to Morgan, Utah.

Pray too for the TBM Home Office staff as all of us will have a lot of new adjustments. Technology will allow me to continue as the TBM Executive Director, but we will plan to return to the Home Office for a few days every five weeks.

Back to Elim: Unfinished business

When we were called serve with Tentmakers Bible Mission 8 years ago, and relocate to Wyoming, the length of our stay and the timing of our return to Utah were uncertain.

While we loved our years in LaGrange, we felt that God would confirm the timing of our return to Utah and the chance to complete any unfinished business that He had for us.

The first items of business will surround Elim House itself. There have been 5 different-families that have lived there

over the past 8 years, so there will be some 'fixing up' that will need to take place!

We already have 3 college teams scheduled to stay with us in the next 10 months, to help some of our newer church plants.

In addition, we will have an Intern from Frontier serving with us, beginning in August. Pray for Michaela Bagley as she prepares to join us in 2 months.

Thank you so much for your

love and support over the past 45 years...please come and have coffee with us sometime!
