

Faith...Prayer...and steps forward!

I wanted to send out a quick update from my last update.....

But first I want to say thank you for your faithfulness in prayer and support of what the Lord has called me to in Kenya. I have said it before and I will say it again and again, I couldn't do this without you. As we move forward would you please be in prayer for the next steps of this journey.

PRAYER

-I found an inexpensive ticket and have it on reserve while I contact the language school and confirm they have room for me to start Oct 2nd. Pray they have room and a place for me to live while I attend classes.

-I found out there is a special visa I have to have to enter Kenya because I will be coming into the country on a one-way ticket. In addition to that special visa, Kenya is in the process of going digital, so all paper work and personal information would be online. As things are changing in Kenya, please pray all my paper work will go through smoothly and I will not have any problems getting the full-time visa I need. I'm going to try and start this process now before I leave.

-I have reached out to someone who will hopefully be able to help me figure everything out, please pray the Lord will lead them to show me the steps I need to take.

Only \$400 more...

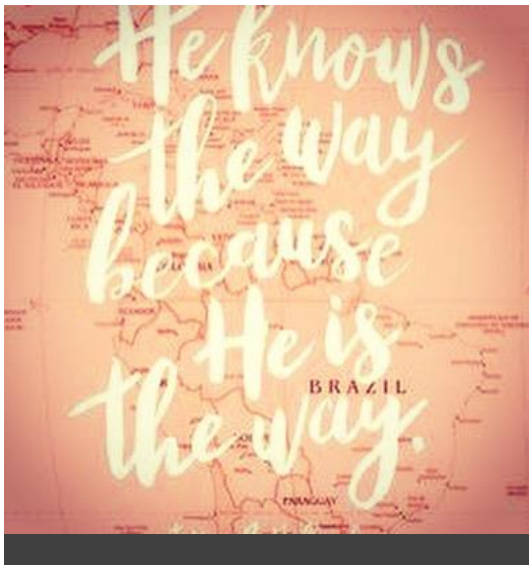

God has been so faithful in adding people to partner with me in the ministry He has called me to. I can't believe I'm so close I only need \$400 more to reach 100% of my monthly budget. That's only

8 people at \$50 or

4 people at \$100.

-Please pray for the Lord to continue to soften peoples' hearts to join our team financially

-Pray the Lord would provide the last \$400 so I can go to the field 100% supported

Budget for a car....

I still need funds for a car when I get to Kenya. I'm only at about **12% of that budget.**

-Would you pray and consider if the Lord would have you give a one-time gift towards that budget

-Pray the Lord would lead me to the right car when the time comes and it will be both inexpensive and reliable

The Lord is bringing the next steps into focus...

The Lord is so faithful in showing us what we need when we need it. It's only a little bit at a time and sometimes that can be frustrating but it's for our own good. If He gave us the whole picture would we trust Him step by step on our journey?

Hebrews 13:5b-6

"For He Himself has said, I will never desert you, nor will I ever forsake you, so that we confidently say, The Lord is my helper, I will not be afraid.

What will man do to me?"

I am in awe of our great Lord more and more every day. I am so thankful for our helper because He knows best.

I pray you are all well and are having a wonderful summer. Thank you again for all you do and the prayers you pray on my behalf and on behalf of the ministry in Kenya.

May God bless you in ways you may never ask or imagine.

Because of His Grace

Love

LeAnn*
