

CONNECTIONS! CONNECTIONS! CONNECTIONS!

Dear friends,

We can't believe that we have already spent one month in the States. Our intention was to remain in Minneapolis for a month and a half and then travel around. Some travel is coming up and we are excited to tell you all about it.

First I should mention some answers to our prayers. We are so thankful for your help in prayer and for the way God has answered them.

- We were praying for transportation. God answered this request through Maddy's family letting us use a car while we are in the States. The car is perfect for the winter ahead of us. So we are ready—we hope.

- We were also praying to be accepted as missionaries by Maddy's church. Grace Church in Eden Prairie, MN took us on as missionaries this September. They are a missionary church and truly care for their missionaries. We are very excited to have them as part of our team and be able to work with them sharing the Gospel in Spain.

Second, we have stayed busy. Maddy has her hands full with the kids and working on our website: <http://ramirezinspain.com> Let us know what you think and please share it with anyone that might be interested in our ministry in Spain. I (Victor) have been reaching out to nearby churches to present our burden for the people in Spain. Also I am participating in a church planting leadership training. This is going great because it's with a ministry that I am familiar with and I have learned ways to inspire people to disciple others and teach people how to lead, which is what I want to do in our first stage of ministry in Vilanova. I have an opportunity to preach this Sunday at Grace Church's Latino service. Please pray that God may use my testimony and message from John 4 to encourage the congregation.

Last, I entitled this letter "Connections..." because we are so thankful for all of you, our prayer and support team. Some of you have told us about churches or have introduced us to your church. We look forward to the time when we will get to visit you. We are still looking for more churches that might be interested in our ministry. We will be traveling to Wyoming and participate in Frontier School of the Bible Missions Conference Oct 21 – 26. Then we will come back to MN for Grace Church's Missions Festival Oct 28 – Nov 4. Afterward, we plan to go back to Wyoming to meet the Board members of our mission agency, and continue down to visit in Colorado. We are grateful for the opportunity to take part in these events and the ministry connections these will bring. Please pray for safety as we travel. Pray that we would be used to encourage people to get involved in evangelism and missions. Pray that God may burden some with the souls in Spain and they may consider reaching the North of Spain with us.

Thank you again for your love, prayers and support. God bless you!

Victor, Maddy, Donovan and Nathan.
