

Dear Family and Friends,

Sunday Oct. 28th, we brought the kids from Belaunde along with three of the moms and also two of the believers and two other ladies to Arequipa for the church service. In total, we had 21. We had a lot of help with the transportation from some of the believers in Arequipa. After the service we took them all out to lunch (including those that helped with the transportation). It was great for the kids to witness a biblical, non-catholic baptism. For the three moms it was great that they were able to hear the gospel presented, as they normally won't listen to us. We pray that God will use this event to soften their hearts.

Last night after the church service we had some of the brothers over for an evening snack. It was a great time of fellowship and everyone stayed until just after midnight. Some of them are fairly new to the church and come from a Pentecostal background. It was neat to see how God has been working in their hearts and seeing their desire for a healthier doctrine and practice.

The pictures are of the lunch with the people from Belaunde.

Finish Strong,
Jeff and Angela Anderson
