## ***November Prayer Letter***

Hello all—

In the past few weeks we took two major trips. First, we trekked out to Wyoming and back to Minnesota, then to Colorado and back. We are thankful for safe and fairly smooth travels. The boys were good sports despite the huge amount of time in the car. We spent the (seemingly) endless hours listening to kids songs, telling stories, and pointing out tractors, trucks, and cows—a typical road trip through cattle country.

During this time, we participated in two inspiring mission conferences. The first, at Frontier School of the Bible in Wyoming, we saw so many ministries that we truly wish we had many lives to serve God. The speaker Warren Cheek reminded us that we only have one life to use for God, and I recall the poem by C.T. Studd: “Only one life, twill soon be past, only what’s done for Christ will last.”

The second conference at Grace Church in Minnesota, we were challenged by Dr. David Nelms to be worthy of God's trust. I believe this message will encourage you: <https://grace.church/sermon/its-a-trust/> I am thankful for God trusting us to get the gospel to those that have not heard in Spain.

Our most recent trip to Colorado we spent time with family, friends, and shared our ministry with two churches, both of which were very welcoming and encouraging.

Here are two prayer requests that are weighing on our minds:

- Pray for my family (Victor) as my mother has received a difficult health diagnosis, which comes with emotional and spiritual struggles. Pray for peace during the treatment and opportunities to grow and witness.
- Pray for the time we have left in the States. We have only 15% of our support goal. Although I am able to work bi-vocationally in Spain, I would like for my secular job to be part-time and to be able to be fully invested in ministry work.
- Pray for further openings to share our ministry to gather more ministry teammates.

Thank you for praying for us while we were on the road, presenting our ministry, and meeting people. God has provided for our needs during this time in amazing ways, and we are so grateful to all you who have helped us out. We have been blessed by so many who are interested in

our ministry and wanting to pray for us. What an honor to have all of you as brothers and sisters in Christ. God bless you!
