

And I am sure of this,  
that he who began a good work in you  
will bring it to completion at the day of  
Jesus Christ.

Philippians 1:6

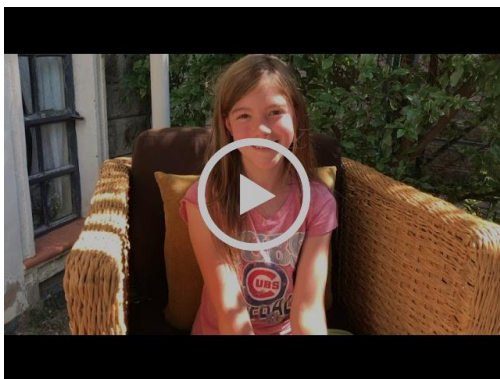

Greetings from Kenya, Africa...in the new year! God is faithful and has seen us through the year 2018...and into yet another new one - 2019. The past year was FULL: of encouragements, challenges, highlights and hurdles, lessons in living and as always...bountiful blessings to count! And we would certainly

count YOU as one of our many blessings! Thank you for your faithful love, and support all along the way. Your part through prayer, encouragement, and giving has helped us through another year, to do what we believe God has called us to.

The Lord has been growing and changing us as individuals, and as characters in a story far greater than our own - HIS story. We are grateful for His continued love, patience, grace and forgiveness every step of the way. And we remain thankful for the privilege it is to know Him, and to serve Him with the lives He has given to us.

We are (prayerfully) planning to come back to the states for a visit for the "tentative dates" of sometime April-December 2019. We would very much like to see and spend time together with any and all who would be interested and available. We look forward to hearing how the Lord has been working IN and THROUGH your lives as well!

Here's a bit about the Harris kids:

Rachel

Benjamin

Ruth

Rebekah

Amelia Rose

We have been married 12+years and can honestly say we have grown and changed much over our time together. May we continue to grow closer to one another, and more in love...as we draw closer to the One Who brought us together and as we learn to love HIM first, and foremost.

THERE IS *Nothing* TOO GREAT OR TOO SMALL
