Dear Friends,

We are well into 2019 and so many things have already happened. What a relief to know that God is in sovereign control of what happens and has revealed much of what is to come. Everyone who is in Christ has a final blessing: *"Blessed and holy is the one who has a part in the first resurrection; over these the second death has no power, but they will be priests of God and of Christ and will reign with Him for a*

thousand years." (Rev. 20:6 NASB) This is a blessing that I was able to share with my class studying the book of Revelation at the Seminary. May you know the blessing of having *"a part in the first resurrection"!*

Puebla del Río Church ministry. Our big activity was a Valentine's banquet Feb. 16th, combined with 7 couples from another church, whose

pastor gave the conference: *"God's design for the family"* and how the key is to invest time in family relationships. We were 37 of us in all with lots of good food! A woman from our church was able to come with her unsaved husband for the first time in 7 yrs. Jordi and

Sandra presided the event. Salud and Sandra decorated the church and

organized the menu. It went so well that the idea is for our church to go to the other church next year for a similar event.

Other ministries. Last week **Salud** traveled with the Ladies committee to see the new hotel for the annual **FIEIDE Andalucía Ladies Retreat** in the Fall. It will be near Gibraltar this time and in October. She also finished the 1st draft of the retreat flyer. Like I said above, I taught an 8-week class on the book of *Revelation* in the Leadership Academy at the Al-Ándalus Seminary with 5 students which finishes on Mar. 12th. In May-June I plan to teach a

7-week class on the doctrine of Salvation (Soteriology). Also Feb. 15-16 and on Mar. 9th I worked at

the final expository preaching workshop with 30 preachers-teachers for the 3rd and final year of the regional program. I also did a history conference on Feb. 23rd and will be giving another on Mar. 25th with the Historical Society of Seville. I also continue to write articles for the history magazine that the Society publishes.

Family news: On Feb. 2, **Jonathan** did the Medical Intern Residency Exam and scored in the top 15% of 14,000 people in Spain (number 1882). Now he is visiting different hospitals in Andalucía to determine where would be the best place to do his residency. He and **Irene** have reserved a banquet hall for their wedding, and we were able to go see it with them and Irene's parents. **Elisabeth** has a part-time teaching job in Granada which is giving her more experience. She still is very involved

with the InterVarsity Christian Fellowship at the university. Salud and I are doing well. On Mar. 18th she will have what may be her final oncology check-up. If the test results continue to show no trace of cancer, she will be discharged from any more check-ups.

Thank you for praying for Jonathan and Irene as they prepare for their wedding and

for God to help Elisabeth with her busy schedule. And thank you for praying for Salud to have a clear check-up and for all the ministries we serve in.

Thank you for praying for us and/or supporting us to serve God here in Spain. Your prayers and support help us to serve in full-time ministry in so many ways. May God bless you for that! And He bless you with the blessing of having "a part in the first resurrection"!

In Jesus' love and service,

Frank, Salud, Jonathan and Elisabeth
