

SUMMER 2019

THOMPSON UPDATE

Dear Co-laborers,

First, we want to thank you for your faithful prayer and financial support, which has been, and continues to be a constant source of blessing!

In the picture above, you will see the Spring Break Mission Team from Frontier School of the Bible in LaGrange, Wyoming. The team spent almost a week with us here at Elim House, working with two of our TBM Mission churches and also helping us with projects.

These teams have been a great encouragement to our missionaries as well as giving the students exposure to the needs and opportunities for Church Planting here in the State of Utah. As always, Wanda cooked for the team, providing breakfast and supper every day.

In addition to the FSB Team, we had the privilege of housing missionaries from Idaho for five days, and missionaries from Denmark for two days.

TBM CANDIDATE SCHOOL

Eight people attended this years Candidate School, with three of them partnering with us in our Short Term S.T.E.P. Program for ministries in Utah, Peru, and Mongolia.

The Candidate School was preceded by a full day of TBM Board meetings, which are a great joy to us. God has blessed us with an outstanding Board of nine godly men. All of them are committed to TBM's goal of planting churches and training nationals for that purpose.

We hope to see some of you in the weeks ahead and thank you personally for your role in our lives and ministry. Know that you are prayed for and appreciated!

Fellow servants,
Ron & Wanda Thompson

PRAISE & PRAYER

We thank the Lord for a return to full health after a winter in which Wanda had two bouts of pneumonia, and Ron had one.

Please pray for us and we leave in 10 days on a 5 week trip that will take us to Pennsylvania and Michigan, as well as other States. We will be speaking in churches, visiting family and friends, as well as attending the IFCA International Convention in Springfield, Missouri.

We thank the Lord for safe travels to Nevada and Wyoming, to visit missionaries, discuss field strategies, and meet with Home Office staff, as well as prospective missionary candidates.
