## **The Harris Happenings**

**I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, because of your partnership in the gospel from the first day until now.**

~Philippians 1:3-5

The month of May has already come and gone, and we are already halfway through the month of June. So, we apologize for the late update, but we would still like to take this time to give a brief summary of the past month.

The majority of the month of May was spent out East (New Jersey) with some supporting churches, mostly our home/sending church. Grace Calvary Church has commissioned us and sent us off almost 10 years ago to the mission field.

And then we were also able to reconnect with a couple other of our supporting church families in the surrounding area.

It has been so affirming and encouraging to watch the LORD Himself raise up these churches to join in our pursuit of "fulfilling the Great Commission" through discipleship, in Kenya. It is such an encouragement to our family, to be a part of a bigger family-the Family

of God. We have seen the faithfulness of God, through HIS Body behind us, supporting us through prayer, giving, and encouragement over all of these years and this time!

What a special privilege to be back here in the States, seeing and spending time, in person, with those who have been with us through prayer and Spirit for so long. We were truly blessed by the sweet times of fellowship we have shared with those in the churches. It is both encouraging, and challenging, (in the best ways) to see how the Lord is working in the hearts and lives of those we love. And it is wonderful to be able to see how He is using and growing ALL of us to be more conformed to the image of His Son, Jesus Christ.

Below are some photos of fellowship we were able to have with others. And we have also included some photos of our own family out and about in the surrounding areas. \*(We took the words of wisdom of our Pastor to take care to make time together as a family as well).

Please continue to keep us in your prayers as we continue to travel many miles and will be seeing so many more places and faces. Pray that throughout all of the various changes we will be experiencing-that we will continue to look to and lean on the Lord, the One Who never changes.
