

¿Qué está pasando en Perú?

Fun in the **Rainforest**...

We were forced to cancel Kid's club on Saturday, the 12th, because of the rain, but we had fun with our neighbors anyway!

The month of October has been splattered with a painful of rainy days! This isn't actually the rainy season, but that's what you get when you're in the rainforest.

Praise the Lord for His goodness in providing me opportunities to help out. I've gotten opportunities to practice English with several people, including the class that I helped advertise for on Facebook. There are many people who have expressed interest in practicing English, so pray for me to boldly share the Gospel with that.

I'm trying to teach differences in culture between the USA and Peru. It was a very interesting class, and I think we all had fun!

Please pray!...

Our youth group in this church is planning to make a month-long evangelism trip to the capital city, **Lima**. This trip will be approximately from **January 25 to February 25**. Including me, there are about 20 persons who have said that

they are going to go; however, there are many things that we need to prepare. Please pray for these requests.

- Everyone needs to have their plane ticket purchased by the end of October! The round trip is about \$150 per person.
- Pray for us to prepare our children's and youth's lessons very well.
- Pray for excellent communication between Francis, our youth pastor, and our assisting churches in Lima.
- Pray for the spiritual lives of all our youth who are going and pray for the parents to support their children in following God's direction.

There are many students who are not sure they can raise \$150 by the end of this month. If you would like to help them in any way, please contact me through email so I can give you the information you need. Most of all, I know that the Lord provides for what He wants to accomplish; He's done that in my life, and I know that He can work in the lives of the youth here.

need prayer?

Don't forget that I want to pray for you also! Please let me know how you are doing and what I can pray specifically. May God strengthen you to do His will!
