Total Confirmed Cases: 31,763

Total Deaths: 532

Total Recovered: 18,157

Kenya's President Uhuru Kenyatta announced a full reopening of the country from the COVID-19 lockdown. He lifted restrictions on travel in and out of the capital of Nairobi and allowed international air travel to resume.

Please pray that Kenya can get a hold on and be prepared for the spread of COVID. Please also pray for the people of Kenya to practice the mandates the government has put in place.

I will delay my return to ensure the borders remain open and I can return safely.

Please pray for the Lord's perfect timing, wisdom and discernment. I'm planning for that return to be around October 5th.

*I will walk by
faith even when
I cannot see*

2 Corinthians 5:7

During this time, I continue to seek to stand on God's truth and grow in my relationship with Him, while serving where He has me.

I have been studying about the women of the Bible. As I see their faith and obedient service to the Lord, I am in awe of their courage. I pray I can be half as courageous as them.

Their lives didn't always look like they wanted them to, but God always used them for His glory. They had an impact on the people around them as they lived out their faith and the calling that God put on their lives the best way they knew how.

Will you **please pray** with me that I will walk with my eyes and heart on the things Jesus wants, and to lay myself aside and return all the glory to Him.

"when we are used by Him, we must not take the credit for ourselves, but instead realize that the victory is because of God working through us".

DAUGHTERS OF GRACE -THE DAILY GRACE CO.

Along with Bible Study and prayer group, the Lord has given me many opportunities to love and serve. It's been a blessing to have more time to spend getting to know the women in my Bible Study classes. The Lord is growing them, and it has been a privilege to see and be a part of. **Please pray** for their continued growth and relationship with Christ.

My brother Brad, his wife Ellie and their five kids, Rachel, Ben, Ruth, Rebecca, and Rose, have moved back to the US. It's been a blessing to be able to give back to Brad and his family by helping prepare a place for them for quarantine.

They have been such a blessing to me over the years and truly are an example to me of faith and reliance on the Lord.

With them leaving Kenya, I will be taking on the responsibility of the TBM Kenya Society, the society they started about 6 years ago. I'm excited to be stepping into this new ministry and look forward to how the Lord is going to grow and use TBM Kenya. My heart and desire is still to teach and disciple women by coming alongside local Bible teaching Kenyan churches. With TBM Kenya Society, I will have the opportunity to do so and, Lord willing, to grow the Society with more missionaries coming to serve in Kenya. I know the Lord's plans are great, good and so much better than anything I could ever dream of. It's amazing to see Him working and setting things up for me and the ministry He has for me to do. He doesn't need me, but He asks me to come along with Him....I'm humbled that He has chosen me to do so.

Please pray for this new opportunity to grow in my faith and relationship with the Lord and to seek to do His will for TBM Kenya.

WHAT'S
Next...

I will start re-packing my things and finishing up teaching over the next month and a half. My mission board would like to see me before I return to Kenya in September and I will be able to see some supporters as well. I will be repurchasing my tickets closer to my leave date. **Please pray** I will receive my refund from my last tickets to offset the price.

Thank you from the bottom of my heart for your unwavering faith to what the Lord is doing in Kenya and in my life. This has been a long road and I'm humbled by your faithfulness.

“Only conduct yourselves in a manner worthy of the gospel of Christ so that whether I come and see you or remain absent I will hear of you that you are standing firm in one spirit with one mind striving together for the faith of the gospel”.

Philippians 1:27

You are truly a blessing and I thank God for you always.

Because of His grace
