Uganda Preparations

Thank you for praying for us through this transition!

As we continue to prepare for our ministry in Mbale and departure to Uganda...Steve is teaching apologetics and Deb is helping out in the front office at Frontier. (So thankful for the provision of a capable and gifted replacement in the registrar office.) We are thankful the campus was opened back up to students this semester! We are grateful to have them here, it has not been the same without them.

We are in the final stages of building our tiny house and garage. We are amazed at how God is providing all the help and expertise we need to accomplish our little home...our home base in LaGrange.

EXCITING NEWS: We've officially been accepted to Tentmakers Bible Mission, and we are excited to be part of what God is doing in and through the ministry of TBM. tentmakersbiblemission.org

This reminds us of how God is working in our lives. He is Sovereign and what He intends will happen and it will stand. "...My purpose will be established, and I will accomplish all My good pleasure." Isaiah 46:10b. We find this comforting as we plan to leave for Uganda in

February, not having all the details laid out because of the travel bans only recently lifted to Uganda, and the continued uncertainty of our country. But, we do know, He is Faithful and Good! We choose to "fix our eyes" on Him because His purposes will be established!

Praises and Prayer Requests:

- ▶ Praising God: for the final stages of building our home, for our TBM acceptance, and for your continued support!
- ▶ Praising God: for His Sovereignty, for His abounding Grace, and temporary housing when we arrive in Feb.
- ▶ Pray: for our visas, finalizing plans, clear ministry needs to fulfill with our sister churches in Mbale
- ▶ Pray: for our continued spiritual growth, our desire to know Him more deeply and intimately, to be God-centered not self-centered.
- ▶ Pray: for our Ugandan brothers and sisters as the country is finally open and that they will see some normalcy. God's will be done!
