Happy Thanksgiving

Merry Christmas

Happy New Year

Thank you for your faithful prayers and support over the years!

May the Lord richly bless your labor of love.

Passing the Baton

In September 2020 Tentmakers celebrated its 35th anniversary, and also had a “Passing the Baton” ceremony. Dick Manion (third from left), one of the past directors of TBM, and Ron Thompson (second from left), the most recent director, both pass the Director’s baton to Chuck Mathias as the new Director of Tentmakers Bible Mission. Ron will continue as Assistant Director. Charlie Hornick (right), a board member, prays for the Lord’s blessing in the new transition.

Pray for TBM Missionaries

Italy is going back into lockdown. This is a great difficulty for the believers and missionaries as they minister.

Peru is opening its borders for travel to the USA. It looks like Amber Finney will finally be able to come home after being confined to Peru for the Covid19 pandemic.

East Valley Bible Church in **Las Vegas** has been able to do fellowship, youth

ministries, community ministries, as well as services in recent weeks.

After six months of not being able to have church services, the Alencars in **Brazil** are able to hold services. In the interim, they were ministering to people in the slums adversely affected by the Covid crisis.

In **Spain**, the Leatherwoods used the Covid lockdown as an opportunity to record and post services and studies. This is something they had thought of doing but did not have the logistics down. Covid gave them the time to make it happen, resulting in many people hearing the Word of God.

Helen, our two daughters, her niece and friend Teresa enjoying Kentucky sunshine. Helen returned to La Grange and shortly afterwards, the night

temperatures went down to -7 degrees!

One of the blessings of my job as bookkeeper for Tentmakers Bible Mission, as we process donations, is to be brought face-to-face with God's faithfulness as He provides for our missionaries! In the past seven months, there has been much uncertainty and change in the lives of our donors, as there has been in the rest of the world. In spite of this, TBM has seen donations INCREASE nearly every month since March. The first month of the pandemic, when we were concerned that we would see donations decrease, we were surprised and blessed to see the largest donation total in our history, including Christmas giving, which is usually substantially higher than other months. Praise the Lord for His faithfulness and stability, in the midst of chaos in the world around us. We praise God for your part!

If the Lord lays it on your heart to begin to support or increase your current support for our work in the International Office as "Servants Serving Servants", our project name is "**Goshen**," and donations can be made by check and sent

to:

Tentmakers Bible Mission
PO Box 160,
LaGrange, WY 82221

or, by credit card, on the TBM website:

and Helen
celebrating some birthdays in Kentucky

**Have yourself a
Happy Thanksgiving,
a Merry Little Christmas
and a
Happy New Year!**

Remember that the focus of our life must be the Lord Jesus and His Gospel: "Christ died for our sins according to the Scriptures, and that He was buried, and that He was raised on the third day according to the Scriptures." "*Whoever **believes** in Him (Jesus) will not go to hell, but will have eternal life.*"

All souls will go someplace when they die. Tell many the good news that they can KNOW that they are going to heaven if they believe.

Our love in Christ,
Terry and Helen Cline
