REJOICE IN THE LORD ALWAYS.  
AGAIN I WILL SAY, REJOICE!  
PHILIPPIANS 4:4

Yes, it's the same picture over and over again, but I'm trying to put this verse into practice today.

In this short verse that many of us know the writer of Philippians ask his readers to "Rejoice in the Lord always...and when you're finished with that do it again!!

I love this thought to do it again. Thank you for taking the time to read our praise and prayer request news update. We hope that you will continue to praise Him over and over in this update!

With Great Love,

Bradley, Annie, Chirysh, Michael, Lydia, and Ruby!

**PRAISES:** We have a lot to praise God about! Here are some pictures of just a few of the things that have happened over the last few weeks.

Ruby Cait our youngest - Prayed to receive Jesus as her personal Savior here recently. She had been asking questions for a little while. We are grateful that the Lord helped her understand the salvation plan!

Lydia has been losing a lot of teeth here recently! She is loving the tooth fairy right now.

We had some work projects at the church. The Lord blessed us with great help!

One of the things we love here is the weather! A few Sundays back we had church in the park, and had a lot of people attend. It was also exciting because we were able to ride our bikes to church.

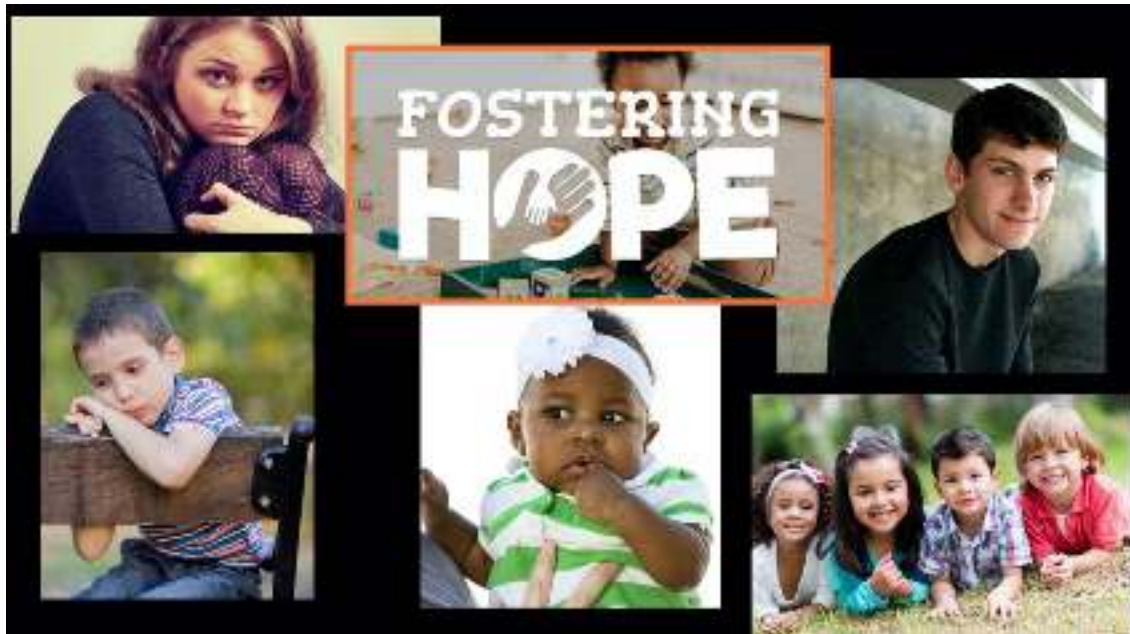

**HUGE PRAISE!!!** We were able to purchase land to build our first house!!! Super Excited!!! Lord willing our home will be complete in August or September of this year. This is a big step of faith, but we believe God is in this. It has always been our desire that our home is a place where we can entertain guests. We see this as a place where we can put down roots for our family, but also use it to entertain and minister to people.

The guy playing the guitar was in my youth group back in New Jersey. Brandon and Taylor recently got married and they were able to stay in our home a few weeks ago. So thankful that I have a wife that loves to host people in our home.

If you are ever in Las Vegas and need a place to stay please reach out to us. We would love to have you!

We had Fostering Hope host a foster and adoption awareness night at our church last month. We are really excited to see the part we will be able to play in this ministry. Several of our staff and a few church members will be at a foster care church advocate training on April 17th. When we first looked at this building it was on all of our hearts to fill it with ministry during the week. We are blessed to be able to host the event at East Valley Bible Church.

## Fostering Hope Awarenesses Night

**Prayer Request/Praise:** Two years ago we were fortunate enough to purchase a second car for me to get back and forth to work. Well, on Saturday March 27th my car was stolen from outside of my house. This was extremely frustrating, but both of us had a peace that God was and is going to take care of this. The police told us that more than likely the car would not be recovered. So with that advice we went out and purchased a 2003 Honda Pilot.

We are grateful because the Lord gave us a second vehicle that was big enough to get our family around in case our van ever broke down.

Praise God for stimulus checks! We had that money ear marked for house expenses and other needs but the Lord knows and we trust His plan. After purchasing the Pilot, our car was recovered. It has some damage so we are praying that the insurance company will total it out.

**We had a great Easter!** One of the things I love to do with the children is tell the Easter story with chalk on our wall that faces the neighborhood.

Also, we were excited to see how the Lord blessed our church. We had **49** people attend our service. This was a record high for us!!!

We had four first time visitors, and three returning visitors. Pray for those people to return and for the Lord to give us good follow up conversations with them.

I was excited that this year I was able to do the Easter series. I did a two part series entitled: "A Conversation With Jesus Will Change Everything!" Jesus had forty conversations in the New Testament. Two of those forty conversation were with one of Jesus disciples named Thomas.

Praise the Lord Annie and I just celebrated 15 years of marriage!

“A happy family is but an earlier heaven.” –George Bernard Shaw

I am thankful for our family and the life He has given us. We wouldn't want to trade it for anything.

**Here are some prayer request...**

- Annie and I's relationship with God
- Our Marriage - April 8th is our anniversary.
- God to give us wisdom in raising our children: Chirysh, Michael, Lydia, & Ruby.

**Another Praise:** We just learned today that Chirysh and Michael will be able to attend a private Christian school this Fall. God provided us with a scholarship!

We would love to hear from you so please reach out to us.

Lastly I encourage you to **REMEMBER GOD WANTS US TO REJOICE AGAIN AND AGAIN!** So please take sometime right now to rejoice about what you just read in our news letter and may you do it over and over again.

**God Bless,**
