

TBM CONNECT PRAYER CALENDAR

April 2021

Pray for the upcoming trip of some from the home office to go to the ANAM conference in Branson. **Pray** for safety as we travel

Pray as the TBM board conducts their annual May (10-11) business meeting. **Pray** for wisdom and direction as they lead the mission with their decisions.

Pray for John and Anna Bazemore as they wind down their ministry in Italy with the American military base, and move back to the States. **Pray** for their continued ministry with their family.

Pray for Mirco and Paola Franzini as they continue in their ministry. Italy has had some difficult shutdowns because of Covid19. **Pray** for wisdom, open doors and much knowledge of the use of technology to minister to their fellow Italian believers and non-believers.

May 2021

Pray for Justin and Haley Allen from the home office as they move to Washington at the end of May. **Pray** for provision, wisdom and safety.

Pray for Jeff and Angela Anderson as they minister in Arequipa, Peru. There have been strict Covid19 restrictions. **Pray** for things to continue open up so that they might do more travel to different mountainous areas to resume ministering fully.

Pray for Paulo and Janis Alencar in Brazil. **Pray** for the 80 young people who have made bad choices such as selling drugs, whom they are teaching and giving the gospel to. **Pray** for the 12 women and the 2 men at different rehabilitation homes, that they might understand and believe in the gospel.

Pray for LeAnn Harris as she settles in her new ministry in Kenya. Praise the Lord that she left Nairobi before the shutdown, due to Covid19, and has moved to Kisumu and found housing! **Pray** for the Lord to give her at least one close friend to lean on in Kenya.

Pray for Josh and Charity Griggs as they prepare to go to Peru for about one year to work with the Fowlers. **Pray** for wisdom, clear leading of the Holy Spirit, deputation and God's provisions, and health.

June 2021

Pray for Joel and Stephanie Nichols as they patiently wait to return to Asia; hopefully it can be soon. **Pray** that the country they will be ministering in will keep its borders open when they are able to travel.

Pray for Amber Finney as she raises support to return to Tarapoto, Peru to help the Fowlers. There have been issues with closed borders and flights. **Pray** for her to be able to fly back in the Lord's timing.

Pray for all TBM missionaries and their support levels. Some missionaries have supporters who have gotten older, and will not be in their roles much longer in supporting missionaries financially. Some lose supporters to other types of attrition. **Pray** for those who need to do deputation, and that the Lord will soften hearts to support their ministry in missions.
