

## UPDATE: Report from the Thompson's

June 9, 2021

Dear Co-laborers,

We want to apologize for the time that has passed since you last heard from us. In this letter, we will catch you up on our travels, ministries, and plans for the future.

### JANUARY – MAY

When you last heard from us, we had accepted an invitation to return to Frontier School of the Bible in LaGrange, Wy., for the spring semester. I taught Church Planting, the Gospel of Luke, and assisted in Pastoral Theology and Homiletics. Wanda helped in the office at Tentmakers.

Things went very well, and we have been invited to return full time to Frontier this fall, where I will teach Cults and World Religions, Judges, Colossians, and assist in Pastoral Theology. I will also serve as Director of the Missions Department. I continue as Assistant Director at Tentmakers, and Wanda will resume work in the TBM office.

### POTENTIAL SALE OF ELIM HOUSE

The decision to leave Utah has not been an easy one. The nearly nineteen years of ministry at Elim House have been a blessing at many levels, and we thank you, and God, for making it all possible. Nevertheless, we realized that, now in our 70's, we cannot continue the upkeep on a 100 year old, 3000 square foot guesthouse on one third of an acre! Given those factors, we have decided to 'test the waters' of the real estate market here in Utah, and will list the home in August, and if it sells, do a final relocation in the middle of November.

### TRAINING AND MENTORING THE NEXT GENERATION OF SERVANTS

It made more sense to us to return to Frontier and invest in the lives of young men and women who will be able to serve the Lord for the next 50 years, building into them some of the lessons we have learned in serving the Lord for the past 50 years!

Please let us know if you have thoughts, questions, or ideas concerning this pivotal season in our lives. Frontier provides no financial support to faculty or staff, so we continue to serve by faith, and continue to serve with Tentmakers Bible Mission. We want to honor God as He directs, and honor you in your years of sacrifice on our behalf. How we thank God for the privilege of serving Him, together with you, for the past half century!

Fellow servants,

*Ron and Wanda Thompson*

**PRAISE & PRAYER!**

**PRAY for safety in  
our 3 week, 4,000  
mile ministry trip this  
summer**

**PRAY for stamina for  
the challenges of  
relocation+**
