

## Exciting News 9/20/21

### **Ephesians 3:20-21--**

*Now all glory to God, who is able, through his mighty power at work within us, to accomplish infinitely more than we might ask or think. 21 Glory to him in the church and in Christ Jesus through all generations forever and ever! Amen.*

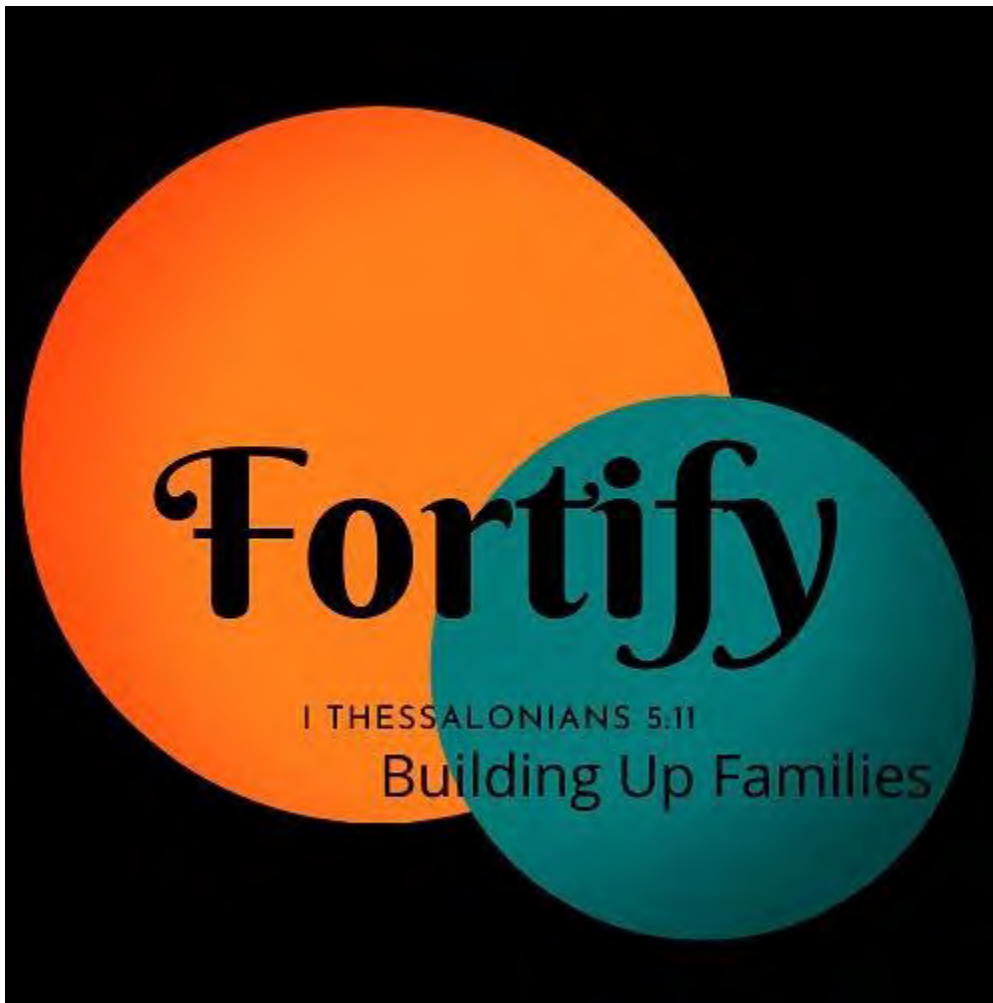

**Praise God!** This week we will be closing on our NEW Home!!! This is a huge praise because we have never owned a home! One of the reasons we are excited about this is because it will allow us to plant roots here in our community. It's in this area that we are hoping to plant the next church. We have already made some good contacts in this area and are hoping to reach our new neighbors with the gospel. *Please pray that the Lord will bless our move this coming Saturday.* Also, pray for God to bless as we reach our neighbors and

community. Something else we would love for you to pray for is for God to provide team members to help us plant this new church Lord willing in the Spring of 2022.

**Here is some other news and prayer request...pictures tell a thousand words.**

This past Saturday we were able to attend the Women's Resource Medical Center Banquet. It's a blessing to be a part of a ministry who fights for the life of the unborn. Would you pray that our country would realize the importance of this important issue?

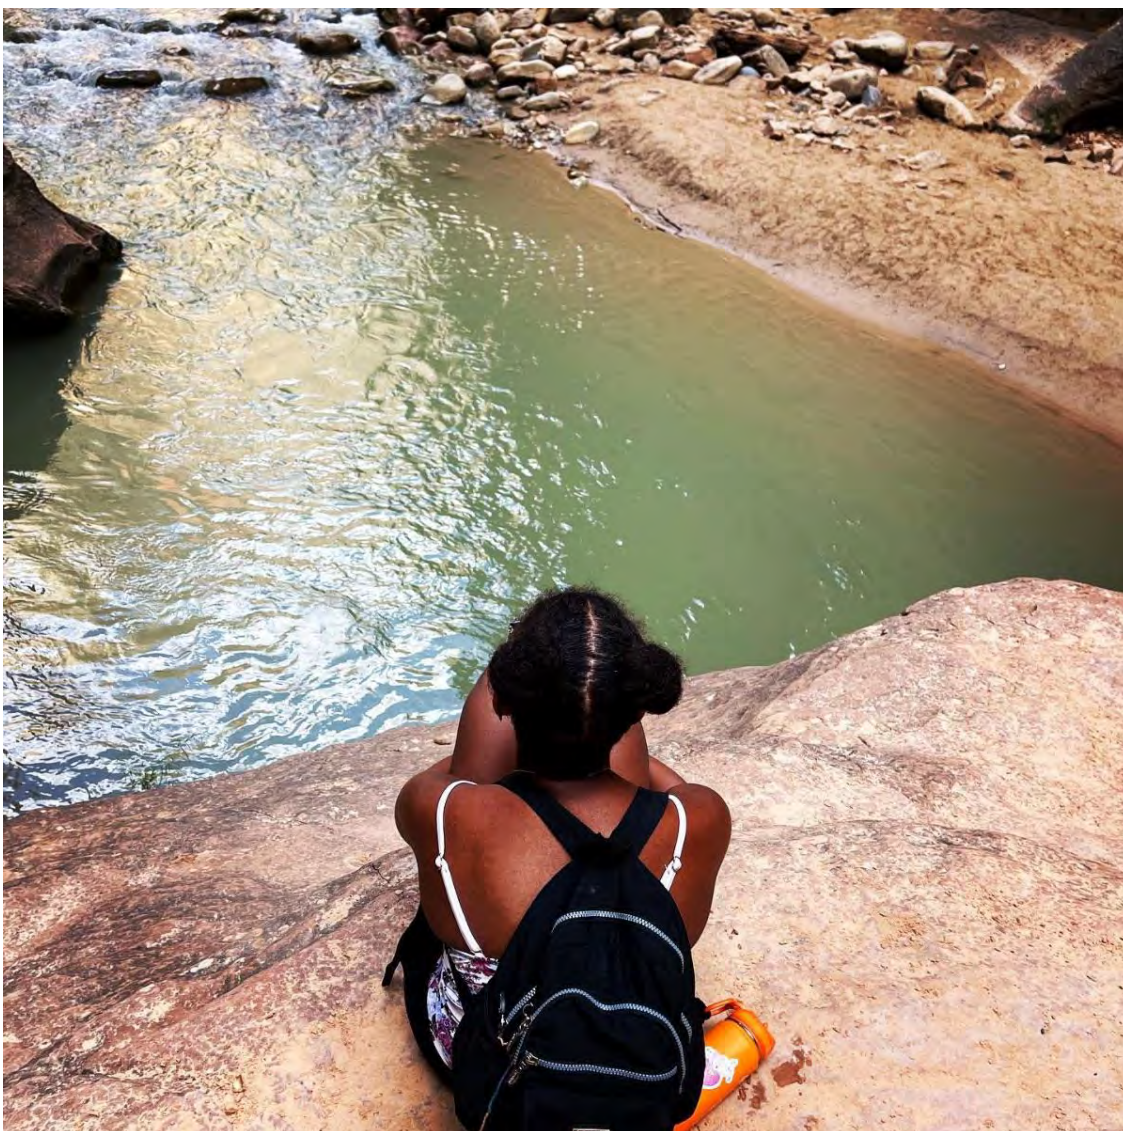

Our Church recently began a new ministry called Fortify. This is a ministry designed to come along foster families. One of our goals is to see the family succeed. There is a great need in helping foster families. Please pray that the Lord help us in helping build these families up.

What a blessing this was. In this you see Annie and Chirysh leading worship together for the first time. Please pray for Chirysh as she learns to play the guitar. Seeing her desire to want to be used by the Lord is a great blessing. This also could be a huge blessing in planting a church.

On Wednesday nights our girls go to another churches children's program. One Wednesday night I was sitting in the lobby just minding my own business when the director came out and asked me if I would be willing to do a lego class. Not seeing a reason why I couldn't, I volunteered to step in where the Lord opened the door. It's been a huge blessing. I've always loved being around children.

## Church Planting News:

**Proverbs 3:5-6** says,

*"Trust in the Lord with all your heart; do not depend on your own understanding. 6 Seek his will in all you do, and he will show you which path to take."*

We are praying for clear direction in the next step. Right now, we are investigating a church planting co-hort program that will help

us develop us in church planting. This program has helped plant other healthy churches here in Las Vegas. We are specifically asking the Lord to send team members. Would you ask the Lord if it might be you or that the Lord would send other like-minded team members? If you are interested or you know of someone we should consider please let us know. We are also praying that the Lord would give us more financial monthly supporters or one time givers. Planting churches take a lot of financial resources and effort. Also, I'm thankful for the part-time job at Costco, but the 24-30 hrs a week working divides my attention. I would love to be able to focus more on church planting. So, if you aren't already supporting, would you please pray about supporting us? We are confident the Lord has called our family to plant a church in Las Vegas. Thank you for taking the time to hear our heart.

### **Family News:**

We praise God that our children are healthy and starting a new school year.

Michael and Chirysh are attending Calvary Chapel Green Valley Chapel Academy.

Chirysh is in the 8th grade.

Michael is in the 6th grade.

Lydia is in the 3rd grade.

Ruby is in the 1st grade.

Lydia and Ruby are being homeschooled this year.

Michel recently got braces and Ruby lost her first tooth.

Our family loves the outdoors out here. So many national parks to visit. One of our favorites is Zion National Park and hiking the Narrows. We would love for you to come visit us sometime. With the NEW house the Lord has blessed us with there is room. So let us know! Thank you for your prayers and financial support.

Love,

Bradley, Annie, Chirysh, Michael, Lydia, & Ruby.
