

95 More Days!

Hey there everyone! I almost can't believe it, but the time is ticking away really fast! I'm still around 60%-70% monthly support, so please pray that it would raise before I go.

Working on Mom's house has been plugging right along. I'm mudding the walls now and will be painting/finishing them soon. My flight, Lord willing that there be no changes, is January 27th. If you know of people that would like to be a part of the team, will you let them know about the Tarapoto District Project?

Teaching and sharing the Bible is soooooo important! We can see this even today; how many people do we know who could really use some prophecy knowledge? Thank God that He, Jesus Christ, is in control. We should tell the truth about corruption but let us not get so caught up in politics that we forget to share the Gospel. Remember, people's problem isn't logically solved, it is spiritually solved through a relationship with Jesus Christ. Be an activist for sharing the Gospel; and know that I preach that to myself more than you all.

Philippians 2: 12-16

"Therefore, my beloved, as you have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling; for it is God who works in you both to will and to do for His good pleasure.

Do all things without complaining and disputing, that you may become blameless and harmless, children of God without fault in the midst of a crooked and perverse generation, among whom you shine as lights in the world, holding fast the word of life, so that I may rejoice in the day of Christ that I have not run in vain or labored in vain."

I was driving semi-truck for soybean harvest, and this was a beautiful picture from Kansas 😊.
