

AS VEGAS

NEVAD

We are ending 2021 on a high note. God is worthy of praise, and we want to encourage you with what is happening in Las Vegas!
Feel free to pass this letter on to anyone who might be interested in hearing about God's work in Sin City.

If you are reading this, I truly can't thank you enough for financially supporting us, for praying regularly for our family and our church and for your faithfulness to follow and be concerned with what is happening.

If you want to hear more stories, we would love to come and share, talk on the phone or correspond. We believe God has big plans for the people in Vegas. We want you to be involved!

My number is 702-287-9927 and email is matt@eastvalley-biblechurch.com

Since we have been back in our home after the house fire, we have been building relationships with our neighbors. One of the ways we did this was handing out homemade apple butter.

We have been having kids and parents at our house consistently. The opportunities to talk about Jesus, the church and salvation are happening. We are praying for these people to trust Jesus in an area that is predominantly another religion.

This past month we had a new lady start attending. The second Sunday she came, she had a gospel conversation and trusted Jesus to be her savior. We are following up with her as we encourage her new walk with Jesus. She and others, are the reason we are church planting.

2022 is going to be full of exciting goals.

One goal is for East Valley Bible Church to split. Yes, you heard it right. We are excited as one of our leadership families, Bradley and Annie Balfour are going to split off and start another church in the southwest part of Vegas. Your investment into East Valley and our family has now doubled in impact.

'22 has the goal of finding a bigger and more efficient space. We love the strip mall location we are in, but we are running out of room. We have more families and less

space. Our biggest drawback is going to be money and people who will do the work to prepare a space for us. Pray for us as we hope to take this next step.

In 2022 we are shooting to start life groups around the city. The sheer size of Vegas makes it easy for people to be isolated. We want to bridge the gap for people to connect with each other and grow more effectively.

We are praying that 2022 will be the year to appoint local leaders into our structure. I am praying for men who have a passion for the unchurched and a love for our people. There are people who I am investing into and I am praying for wisdom of when and how.
