April 2022

Hello Spring

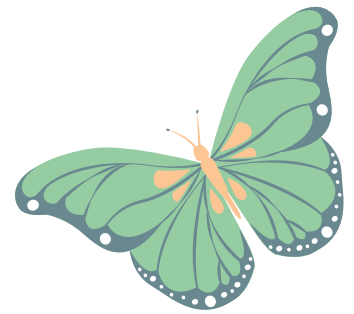

# Health

My health journey this season has been a long one. When I recovered from COVID after my arrival to the states, I started to have my yearly health checks done. Never would I have thought, having routine appointments would turn into months of testing leading to checking my heart for a murmur. All the testing and procedures have come back great and I'm praising the Lord for every answer to prayer. The heart murmur is very faint and there are no other issues. They were not able to find a cause for my stomach issues, however my doctor believes it is due to stress.

**PRAY: Continue to learn ways to manage my stress**

**-Keep seeking the Lord in all things**

## Return to Kenya

With all my health checks, in check, I have booked tickets for May 23rd. I'm looking forward to returning to the work the Lord started before I left. I have been able to keep in touch with the women and we all are excited to be together soon.

**PRAY: To pick up where I left off in teaching**

**-Open and willing hearts to continue to learn**

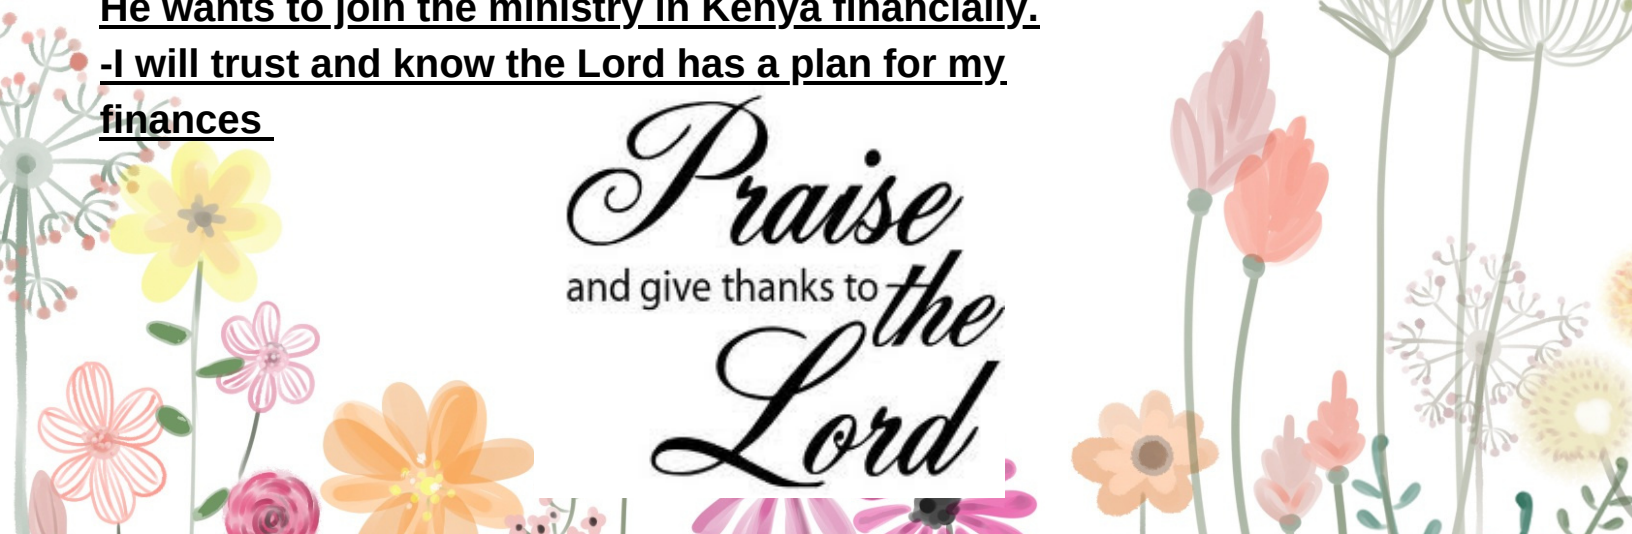

I'm currently doing some deputation as my support has fallen off a bit. With the cost of living rising all over the world, I'm in need of \$500 to \$600 more in monthly support when I return to Kenya.

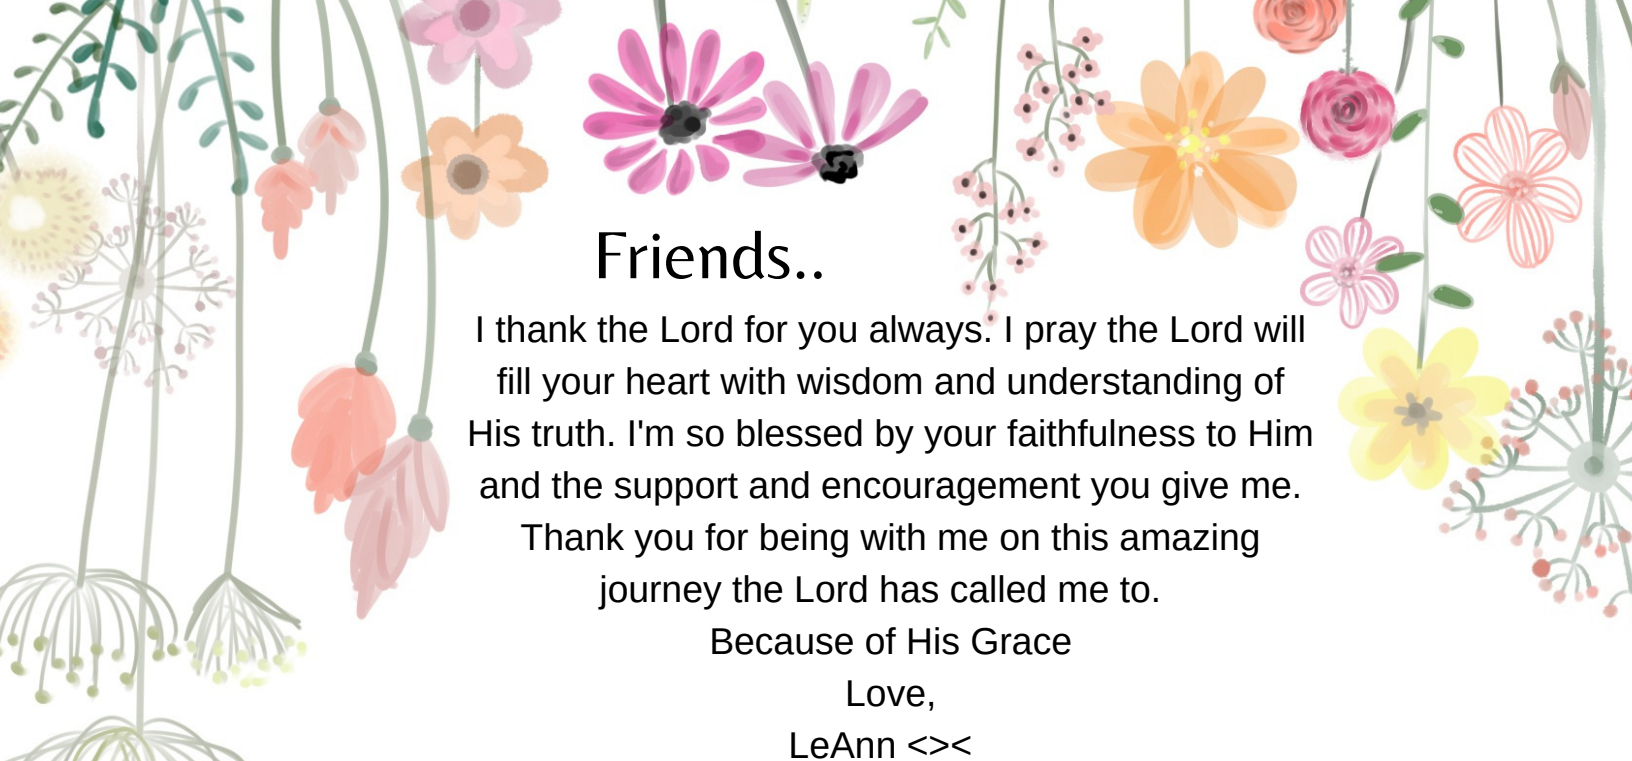

**PRAY: The Lord will put it on the hearts of those He wants to join the ministry in Kenya financially.**

**-I will trust and know the Lord has a plan for my finances**

*Praise*  
and give thanks to

# Friends..

I thank the Lord for you always. I pray the Lord will fill your heart with wisdom and understanding of His truth. I'm so blessed by your faithfulness to Him and the support and encouragement you give me.

Thank you for being with me on this amazing journey the Lord has called me to.

Because of His Grace

Love,

## Ephesians 1:15-18

"For this reason I too, having heard of the faith in the Lord Jesus which exists among you and your love for all the saints, do not cease giving thanks for you, while making mention of you in my prayers; that the God of our Lord Jesus Christ, the Father of glory, may give to you a spirit of wisdom and of revelation in the knowledge of Him. I pray that the eyes of your heart may be enlightened, so that you will know what is the hope of His calling, what are the riches of the glory of His inheritance in the saints."

-Easter egg hunt

Cards with Grandma-

-We celebrated the Passover at church. Celebrating Jewish holidays is such an amazing way of learning about the Old Testament.

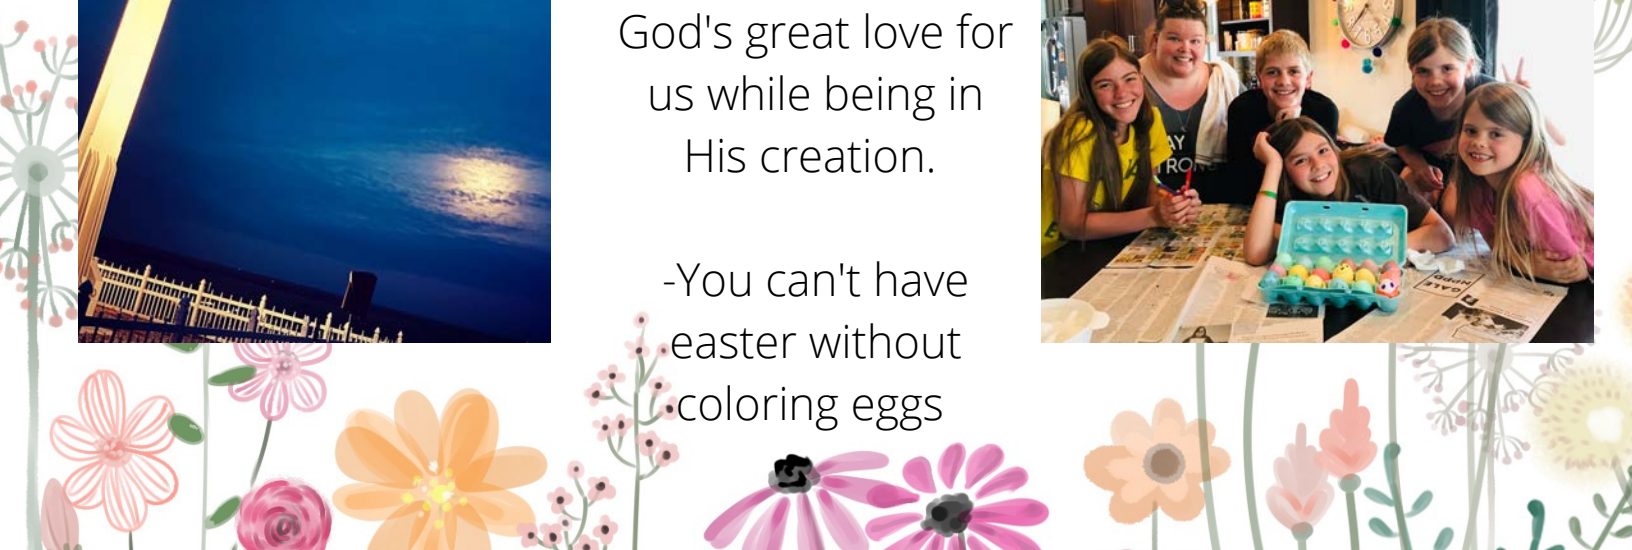

-Sharing about Kenya at Grace Bible. Taking the opportunity to share at a few local churches about what the Lord is doing in Kenya.

-We had a sunrise service at the cross for easter. It was cold but such a blessing to hear of God's great love for us while being in His creation.

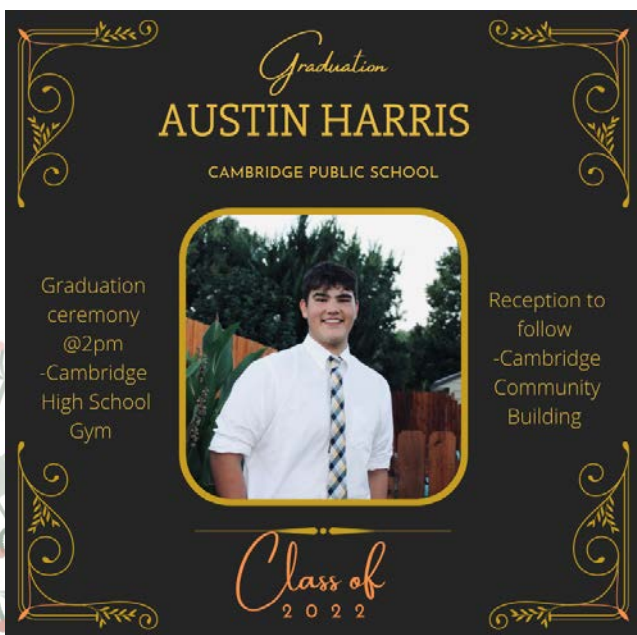

-You can't have easter without coloring eggs

-We also celebrated Brad and Ben's birthdays this month. Rachel's is next week. April is a busy month, but what a great time we have had being together.

-My nephew Austin is graduating from high school next month. I'm excited to be able to be here to see it. I'm so proud of the young man he is, he loves Jesus and has a heart for people to know Him.

Austin has been accepted to Frontier School of the Bible and will be starting in the fall. This has to be what it feels like to be a proud parent.
