

It's June, and it's hot!!

Hello everyone!

This month there are a lot of prayer requests. I have all of my documents turned in to immigrations, but now I am waiting for them to respond. Please pray that they would get back to me quickly with my foreigner's card (which allows me to be a permanent resident here).

We are just about to end our current lesson series in Children's Bible Club. Please pray that these children would come to know Christ as their Savior. Pray that they would be able to study God's Word for themselves and grow in their knowledge and faith.

I have had several guests over to my house to have food, and it has been a good time for fellowship and encouragement. Pray that this ministry would blossom, and that I could even have more nonbelievers in my house too.

I'm still teaching English, although my student count has gone down to two (there's a middle-aged woman and a little girl!) Please pray for both of these students, as they are not Christian yet. They are willing to talk about God, so I praise Him about that. (There's talk of having a 3rd student, so pray for that ministry also!)

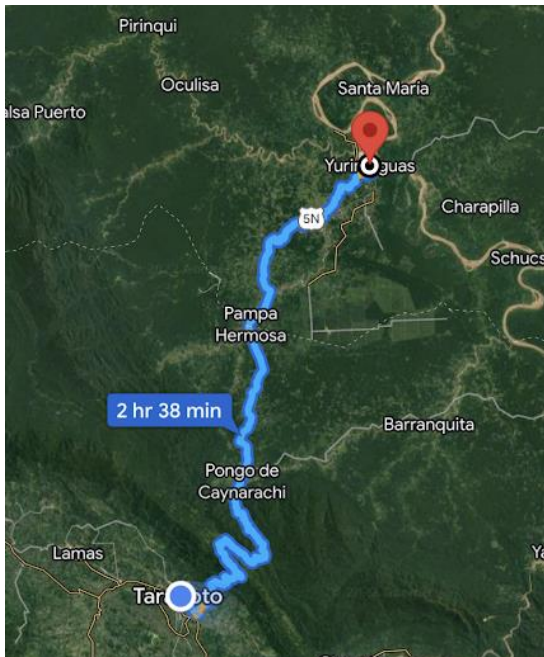

Some exciting news is that I will be going to a city, at the end of this month, called Yurimaguas. I'll be helping a mission called E-3 (an evangelism mission from the USA) translate from English to Spanish. We will be there for 5 days, June 25th to the 29th. Please be praying, as one of the Youth Group guys is going to be going with me. His name is Sergio. Pray that his English skills would

grow and grow as the time approaches! I'm excited to see him take this step! He may have plans to go to Frontier, Lord willing!

Thank you so much family! Keep your heads up and your spirits high, and remember it's all for Him!

Hebrews 12:1-2

Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith, who for the joy that was set before him endured the cross, despising the shame, and is seated at the right hand of the throne of God.

This is what going to Yurimaguas looks like

Techy's mom got some flowers for mom's day! She well deserves a lot more than that.

We had a baptismal service at the river on Resurrection Sunday! Praise the Lord, and pray for these new members in the family of God!

This is my English student Jessica! Pray for her to know Christ as her Savior.
