Dear Family and Friends,

This has been quite the year for paperwork and documentation. As you may remember, we started off the year renewing Ángela's national ID card and my foreign residence card. These are processes that took weeks to complete. We also had to submit documents showing possession of the land in Rosario, Uchumayo for the titling process. That process is ongoing. We also had to update

some documents in regards to Ángela's U.S. immigration process. We hope to hear back from the national visa center by the end of August. As soon as we hear back from them, Ángela has to schedule an appt. to renew her Peruvian passport. We also had to submit documentation of possession of our land in Rosario, Uchumayo in order to get the new pass that allows us to bypass the toll booth. That pass has to be renewed every 3 months. Currently I'm in the process of renewing my Peruvian driver's license and as of today, it has been 12 days and is still ongoing. These types of processes and documentation take a lot of time and energy. But God is good and is teaching us patience through it all.

We have decided to suspend our Wednesday evening home Bible study for awhile in order to have more time to complete some maintenance type projects on our Rosario, Uchumayo property. We also decided to continue helping at the

Ciudad Blanca church until we travel to the States. Speaking of that, it looks like the earliest that will be is in October or November. It really depends on the national visa center and on the U.S. embassy here in Peru.

- Keep praying for Ángela's grandpa Hilario. He hasn't tried to hit his daughter or granddaughter again. However, he is unrepentant and is still somewhat verbally abusive.
- Keep praying for the work in Rosario, Uchumayo.
- Keep praying for us as we help out the church in Ciudad Blanca.
- Keep praying for Ángela's visa process.

Thanks for your prayers and financial support.

Finish Strong,  
Jeff and Ángela Anderson
