

## **TBM Events**

We have had a busy spring at Tentmakers Bible Mission. At the Envision workshop, we heard from two missionaries who serve Mormons and Muslims. It is exciting to hear how much opportunity there is, even in our own country. Using online language study, one of these missionaries has reached more people and seen more fruit than previously! Many students attended, and we all packed into the room to listen.

Envision Workshop on reaching Muslims

After the workshop, we turned our attention to Candidate School. We had several candidates go through the training, and we have been able to make additional resources available online, which has been very helpful for getting more

information to the candidates efficiently. I helped plan the scheduling and logistics for both these events, and Kara planned meals and did some cooking for both.

Filling pulpit at a local church

## **TBM Missionaries**

In addition to scheduled events, we have been able to host several of our missionaries at the home office for meals or housing when they visit. I wish we could tell you all the amazing things we have heard from missionaries, some of whom serve in areas we think of as “off limits.” Despite the risk in these dangerous places, people are

hungry for the gospel, and missionaries are seeing fruit! It has been so encouraging and challenging to see what God is doing worldwide.

## **SERVICE**

Our family has adopted a word for the year, and it is “serve.” We are choosing to serve in many different ways. We have so many opportunities here to serve, and we would ask you to pray with us that the Lord would either continue to raise our financial support or allow us to bring in more income without sacrificing our ministry. Thank you for your support!

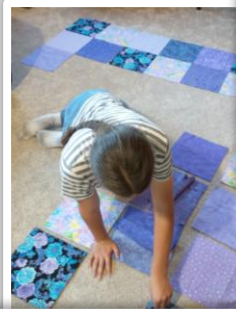

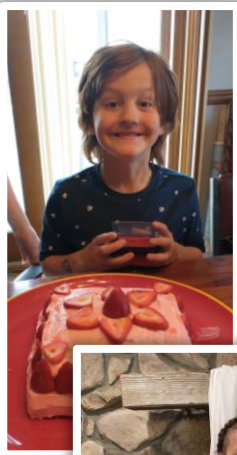

Singing songs at VBS

## **CHURCH MINISTRIES**

AWANA finished well in April, and we had several children from the community who are unsaved attending. Please pray for their salvation and for the continued discipleship of the rest of the children. We also enjoy being able to serve the Bible school students and church members who help out with these clubs.

We moved from AWANA to directing Vacation Bible School, and had children from several local communities attend. We are praising God for three children who professed faith in Christ! Please pray that these children will have access to good biblical teaching and learn to grow in their faith. We hope to be involved with some of them, and reach their parents and siblings, as well. As we continue to build relationships in these small ranching communities, please pray that we would have opportunities to share the gospel.

## **FAMILY**

We finished our “official” home school year, and the children have continued to work on several subjects. They enjoy participating in the summer reading programs in nearby city libraries and have recently started a quilting project. They are also excited about summer “birthday season!” Thank you for all of your encouragement as we serve together in LaGrange, WY!s

Serving with you,

Nathaniel, Kara,  
Juliana, Ariana,  
Cassandra, and Grant

### **Please Pray with Us!**

- Praise God for the success of the Envision workshop and Candidate School!
- Praise God for several new missionaries in Utah!
- Praise God for the local ministries we have been involved with, and the children who have trusted Christ!
- Pray with us for our ministry at TBM, that it would continue to grow and be fruitful as we serve.
- Pray with us that our support level would rise to the point that we can dedicate our time fully to ministry.
- Please pray for the ranchers and farmers in our area. Much of the wheat crop has been lost due to the ongoing drought.

### **Contact Info**

We would love to hear how you are doing and what the Lord has been doing in your lives.
