

UPDATE: REPORT FROM THE THOMPSON'S

THE HOMEGOING OF WANDA'S FATHER, Stan Bridges

Two months ago, Wanda and I made our traditional trip east to visit my mother and family in Michigan, and Wanda's father and family in Maine. Two hours before our plane landed in Maine, Wanda's Dad, Stan, suffered a serious fall which broke his shoulder. Nearly 98 years old, the fall proved to be too much for Dad Bridges to recover from. Four days later, with Wanda and her sisters at his side, along with two grandsons, Dad left this earth and entered into the presence of the Lord.

Stan Bridges was a veteran of WWII and Korea, proudly serving in the Navy. He was a successful business man, was married for over 60 years to Wanda's Mother, Carolyn. He raised four children, faithfully served the Lord as a choir director, Sunday School teacher, and church leader. He will be deeply missed.
