Prayer requests:

Wisdom

Willingness to learn

Finances

Dear friends and family,

Hello from Mbale, Uganda! I have been here for six weeks, and so much has happened already. Two weeks ago, I moved into my own house, and I am still participating in some of the Roderick's ministries. Some of the things I have been doing include teaching Sunday school, teaching chapel, home-to-home evangelism, school evangelism, helping at a daycare, sharing at Kings Kids Africa, and I even attended a baptism of 100+ children.

This past month I participated with a short-term mission's group from America. I joined them and they're visiting of 11 Kings Kids Africa Homes. During this time, I had the opportunity to reconnect with a child I met in 2019, and even got to witness her baptism. I also got to participate at Loved, a ministry for children under three in vulnerable homes and will be visiting throughout the rest of my time in Uganda. This next month I have an opportunity to teach the younger kids at El Shaddai children's home.

Please be praying for my wisdom in all situations, and that I would grasp an understanding of the culture. Also, for my willingness to learn from those who have been on the field. I also ask that you be praying for my finances as the cost of living continues to rise.

I want to thank you for your support in all that God leads me to do. I also want to thank those who are faithfully praying for me. Thank you for being a part of the spread of the Gospel of Jesus Christ!

Yours in Christ,

Christina Trujillo
