Dear friends and family,

Hello from Kisumu, Kenya! I have been here for a month and a half. I now have a schedule for during the week and have been blessed with so many opportunities. I have been going to Ndoto, a Christian school, twice a week for chapel and to teach Religious Education class. I am also attending Fadhili Dada once a week and am teaching the staff how to interpret scripture. I help LeAnn with discipleship once a week, and I am teaching the Teens Sunday School class. In addition, attended an International Women's Bible study. I have been learning new recipes from my new national friends. After a month of staying with LeAnn, I moved to my own apartment upstairs from LeAnn's.

This past weekend I had the opportunity to go to Kakamega Rain Forest for a women's retreat. I got to spend two nights at the Rondo retreat center and spend quality time in the word of God with other women. We studied the passage of "the woman at the well" and spent time getting to know each other. I also had the opportunity to take a sunrise walk in the rain forest. It was so beautiful that words cannot accurately describe it.

I want to thank you for supporting me during this internship I can't believe it's already halfway over. It is such a blessing to know there are those who have been faithfully praying for me, it has meant so much knowing that I am in your prayers. I also want to thank you for your continued prayer and support for my time in Kenya. Thank you for being a part of the spread of the Gospel of Jesus Christ!

Yours in Christ,
Christina Trujillo
