

December 7th, 2022

Dear Family and Friends,

We are nearing the end of Angela's first 24 hours in the States. Our trip was about as flawless as can be and that includes immigration, customs, connections, etc. Thank you so much for your prayers. In the next day or so, I should have a cell phone # but in the meantime, we can be reached at my folk's house at this number: (307)347-3627.

As we got off of the little plane in Cody, WY last night at 9:30, Angela got her first dose of what a cold wind feels like. Thankfully the walk to the airport from the plane and from the airport to the car, was very short.

Pray that God will direct our paths during these next few short months.

Finish Strong,

Jeff and Angela Anderson
