Merry Christmas from the Fowlers in Tarapoto, Peru!!!! Trust God is loading you with lots of His wonderful blessings this year, Psalm 68:19

Thank you for your faithful prayers and timely gifts of love throughout the year! We have had great Christmas activities at Community Bible. Tonight, we have the church Christmas program and we have had several children's programs in the church and in a village.

Sarah surprised us for Christmas! Lucas was here earlier and last Sunday, December 11<sup>th</sup>, Sarah came just as Lucas left. We have truly been blessed!

Thanks again for your prayers and financial support! Please keep praying for the lawsuit against Techy with the land boundary dispute. It is on hold for a couple months and should resume sometime in March. It is still serious, and we appreciate your prayers!!
