

Dear Faithful Supporter,

### Happy New Year!

May 2023 be filled with anticipation as you look forward to what the Lord has for you. May it be a year of growing and stretching.

The Lord greatly blessed us throughout the past year and we are looking forward to what He has for us in the coming year.

We began this new year with the baptism of six new believers, for which we are grateful.

We are looking forward to sharing the message of God's unconditional love in this New Year. We have some exciting plans for 2023, and we are glad we can count on you to help us accomplish these plans.

You have had a tremendous impact in our family and ministry as you faithfully upheld us through prayer and financial support.

We are grateful for your partnership that allows God's grace to extend to more and more people to the glory of God. May God richly bless you as His grace extends to others through you for His glory!

We would appreciate your prayers for Brazil as there has been turmoil and unrest since the presidential election here. A radical communist takeover of our country: our government agencies; our justice system; our schools and colleges; our police and military; our economy and our voting system. This is a full-scale assault.

Pray that God grant His church, wisdom, strength and peace in spite of adverse circumstances and uncertainty.

We appreciate the way you stand with us more than you know.

In His Service,

**Paul and Janis Alencar.**
