God’s plans are amazing...we tend to be surprised by what He is doing, instead we should expect amazing things from Him. We’ve been praying for a private compound with space for teaching and for additional ministry opportunities—in January we will move to the new compound.

This home is over 50 yrs old and in need of a lot of TLC. We are so thankful the landlord has agreed to some remodeling and bring it back into good condition again.

God has placed a desire for two of Steve’s students (John and Percy) to plant a Bible church. Please pray for the Lord’s direction as Steve guides them through the process of planting a church, and for John and Percy as they choose the community to begin a Bible study in for that location.

Our work permit will expire in April, please pray as we start this lengthy process this month.

In November we were blessed to spend some time with our children, our granddaughters Eden, and baby Gwen! Seeing all of them and getting snuggles from Gwen was refreshment to our souls...God always gives great gifts!

This December as we celebrated our Lord’s birth we heard someone say that Christmas is...“God’s holy invasion to bring hope to the world.” May His hope invade your life this New Year as you experience His perfect love through Jesus Christ our Savior!

“Now may the God of hope fill you with all joy and peace in believing, so that you will abound in hope by the power of the Holy Spirit.” Romans 15:13
