THANK YOU

For your blessings of faithful prayer and financial support in our ministry at Tentmakers!
You are helping to reach the world with the Gospel.

This winter in La Grange

These last few weeks have been a gold mine for interesting adventures and awesome pictures.

On Christmas Eve Helen and I were supposed to fly to El Paso for Christmas to be with her brother and family. We were some of those who were flying Southwest Airlines, and, after several hours in the airport, at about 9:30 at night, they finally cancelled our flight. BUT GOD had other great plans. My brother lives close to DIA, and invited us to stay the night, and to be with them on part of Christmas day. We got to see him and his wife, their daughter and

her family, and our mom. It was a special day. By the way, it only took two weeks for us to get our luggage back!

We have also had back-to-back snow and wind storms this winter which have slowed many things down due to the closed roads during each storm. As of this printing, we have yet another storm coming in tonight and tomorrow. Upside: we are finally getting moisture which will help tremendously in our drought situation. Another upside: cool winter pictures!

Snowdrift at Tentmakers

Ginormous snowman in La Grange

about all of the snow.**

TBM Stuff

Pray about the two TBM spring break trips coming up March 3-13.

Students, and some TBM and FSB staff will be flying to Trinidad/Tobago. They will be at this church to help restart the post-Covid church. There will be painting and maintenance do.

All of the airline tickets have been purchased, and they are close to being ready for the trip. Three students still need some finances to come in.

The second trip is to visit some TBM missionaries in Las Vegas. These students will be helping with various ministries, including the ministry to the homeless. One of the students going has himself been homeless in the past and is excited to be a part of their ministry. Their plane tickets have been purchased as well.

Pray for safety for the first leg of the trip, which will be to get everyone to the airport in Denver. Pray that there will be no December-like airline snafos.

Students going on these trips might just become TBM missionaries!

May is around the corner, and TBM has their biannual board meeting and Candidate School. Pray for wisdom and the Lord's leading in all of the decisions that need to be discussed. Also, pray for those whom the Lord wants to attend the Candidate School.

Helen and I are busy and in good health.

Thank you for partnering with us in our Tentmakers ministry and thank you for praying.

This bird of prey visited our porch three times. Way cool!

Lost luggage

Winter view at Tentmakers front yard!

May the Lord bless you richly in your ministry to us. Thank you again for all that you do.
