Dear Friends,

Psalm 126:5-6 says: *“Those who sow in tears shall reap with shouts of joy! He who goes out weeping, bearing the seed for sowing, shall come home with shouts of joy, bringing his sheaves with him.”* (ESV) This verse gives us hope that when we

“sow” the Gospel, we’ll “reap with shouts of joy” when God brings people to Christ. May the Lord give you joyful results as you share the Gospel in our world that so desperately needs Jesus!

Family news. The opening news of this letter is that on May 19th *baby Sara* was

born safe and healthy to **Jonathan and Irene!!** We thank God that we were able to be there the evening she was born and share the special day and joy with them. *Elisabeth, Sam and Julen* came to see her 2 days later and we were all able to be together!! Sara is now 3 weeks old and doing very well. *Salud and I feel so blessed by God* to have our kids, their spouses

and our grandkids! *Thank you for praying for Sara, Irene and Jonathan as they adjust to the new phase of a family of three!*

Puebla del Río Church. As part of the 35th anniversary, we’ve

done several special activities already!! The biggest activity was on Mar. 18th. With 15 volunteers from the OM-Hope Seville team, and 9 of the Puebla Church folk, we “sowed” **3,500 Gospels of John** door-to-door to almost every home in Puebla. So far we’ve not had any visitors from that, but we keep on praying that God will use the Gospel of John to reach some of the townspeople.

On April 23rd we celebrated *the wedding* of the young couple we mentioned in our March letter. What a testimony to their unsaved family and friends! They keep growing spiritually as they follow Jesus. They’ve finished a pre-baptism course and plan to be baptized on June 25th at *a joint baptism service with the Coria del Río Church*. There are 4 people from the Puebla Church have asked to be baptized and have done the pre-baptism classes. There have been **4 men’s breakfasts** so far this year, & each time someone new comes. The men are

encouraged to share and pray for one another. On June 4th we had a fellowship lunch after Sunday service and 15 people stayed to eat and fellowship! **Please pray for the Puebla church and God’s work in the people that come & the areas they need to have Him change, and as Arturo and Elisabeth continue to serve them with us.**

Other ministry. *Salud* is now regional women’s coordinator in Andalucía for the Federation of Evangelical Churches, and part of the regional Board. She’s also on the committee that is planning a pastors/leaders retreat for mid-October. Her overall health is pretty good, but her

Restless Leg Syndrome keeps her tired most of the time. **Please pray for her.** June 14th *Frank* finishes teaching a Master’s degree class on the Spanish Reformation at the Seville Theological Seminary; then June 17th will help teach an expository preaching workshop near Málaga. There are always so many ministry needs to help with. Pray for God to bring more workers.

Thank you for praying for us and supporting us so faithfully. **We appreciate you** and pray God blesses you with good results in Jesus Christ that bring you *“shouts of joy!”*

In Jesus’ love and service,

Frank and Salud
