AWANA and Candidate School

After finishing our AWANA year, we turned our attention to preparing for TBM's candidate school. We had a number of candidates this year, looking toward different types of ministry. One couple is planning to go to Peru full-time, and several are planning short-term trips or internships. We had several students from the Bible School audit, as well. We were able to help with planning and organizing workshops and meals again.

Spring

After a long time of praying, we have gotten more rain than anyone has seen here before, maybe ever! We have actually had a spring season, instead of going straight from snow to dry 90 degrees. This has been very encouraging, especially for so many in our area who need the moisture for crops.

International Trips

Our European field conference is taking place August 22-25 in Barcelona, Spain. We are excited to serve during that time, getting to meet and encourage some of our missionaries we don't know yet. We will be visiting our missionaries in France for a few days before the conference, and then several days in Spain with all of our missionaries. Several other of our home office staff will be travelling, as we try to visit as many of our missionaries as we can. Please pray that we can be an encouragement and support to our missionaries as we travel. Please pray also for our planning and finances, as this will be an additional expense for us. Lastly, we ask for prayer for our children's plans while we are gone. It is hard to leave them so far away.

We are also planning on a trip to Peru in January. We will share more about that as plans are confirmed.

Our sanctuary has been transformed into "outer space" for VBS

VBS

Our VBS for the summer is focusing on Shining Jesus' light in different situations in life. We are focusing on Jesus as the Light of the World, and using outer space as illustrations. Please pray that these lessons will have a continuing and lasting effect on the lives of the children. Continue to pray that we would be effective in reaching our community.

Family News

The big news for us at home is that the land on which we are living has been listed for sale. We don't know when it will sell, but that will most likely mean a change of address for us. We are so grateful for the place we live, and how God uses it not only for us, but as a place for others. We know that He will provide exactly what we need in the future, as we need it. Please do pray for us as a family, that we will have patience and faith as we wait to see what His plan is.

The children are enjoying playing outdoors this summer, and have rediscovered the fun of flying kites. After finishing school for the year, they continue in some individual studies and are still doing lots of reading and enjoying being involved in local library reading programs.

If we aren't able to see you on this trip, let us know how you're doing. We are so grateful for each of you as part of our team. We hope your summer is going well.

Serving with you,

Nathaniel, Kara,
Juliana, Ariana, Cassandra, and Grant M^cRae

Please Pray with Us!

- **Praise God for new missionaries and candidates!**
- **Praise God for having some green this spring!**
- **Praise God for all His faithful servants around the globe!**
- **Pray with us for our travels across our nation and internationally.**
- **Pray with us for provision for extra expenses.**
- **Pray for our family, that we would be diligent to build God-honoring relationships with each other.**
