“Therefore, my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as you know that your labor is not in vain in the Lord” 1 Corinthians 15:58

Dear Faithful Supporters,

Summer / 2023

We truly are witnessing a time in which we are seeing people turning away from God. Drugs, organized crime, prostitution are all things that are affecting children and youth. But as the apostle Paul said, faithful steadfastness is required.

HOUSE OF HOPE - Please continue praying for God's Word to transform lives at the Rehabilitation Home. We are grateful for your partnership that allows God's grace to extend to more and more people.

We know you are praying for us because of the safety, strength and love we feel as we serve our Risen Savior.

DVBS - Last month we held our DVBS in a new slum., A recycling site was offered for us to hold our DVBS and we accepted it. The place had no electricity, but we paid to install electricity so we could use our equipment. We had praise time, games, snacks and the Word of God. On the second day of DVBS one of the main drug dealers in that slum was killed, and fear spread through the community, and only a few children showed up.

We saw the possibility of gathering in that corner

We applied spiritual principles and spoke of God as the great recycler. How God creates beauty out of recycled trash. God searches through the landfills of our lives filled with trash, and He rescues every broken piece, and fashions them again into a brand-new instrument once silenced by sin. When others see no value, He lovingly replaces the parts we've thrown away. Recycling and creating beauty are God's specialty. He values what others call castaways.

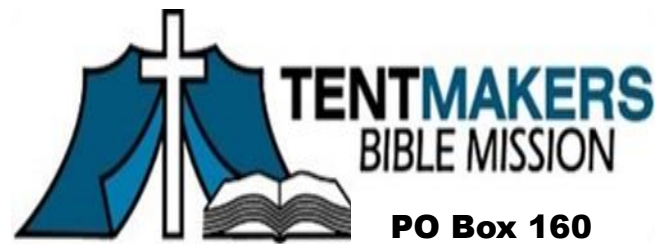

Children who trusted in Christ as savior

He can recycle every mistake, every sin trail, every piece of accumulated trash from our lives, and gives us a new purpose that will ultimately glorify Him.

Praise God for the resources to help bring spiritual beauty to those who need it most. What an awesome and resourceful God we serve.

Dear friends, thank you for holding the rope as we go down deep seeking the lost.

Paul and Janis Alencar.
