

Probably, the most important is that I'M ENGAGED!! Lenin Rivadeneyra (the poor soul in the photo) is a VERY godly man. He has a natural talent for teaching the Bible and doctrine, but he desires, most of all, to serve the Lord Jesus with his life. Pastor Delwin and Techy have known Lenin for a long time, even before they ever knew of me, and we definitely have their blessing in this relationship. Lord willing, our plans are to get married in January 2024!

Lenin's home church is in a different district of Tarapoto. As we have been dating, Lenin has become more and more involved in ministries that our church does. He desires to help struggling churches here in Tarapoto and in surrounding villages with discipleship and Bible teaching.

We're still having lots of fun with children's ministry!

This is Araceli! She taught me how to make a food called Juanes. Pray for her, as I believe she has recently become a believer. Pray for her husband Gedeón to know Christ as his Savior too.

Please pray for the Comunidad Biblica de Tarapoto. Right now, we are in the throws of a very necessary and transitional change as the church matures in leadership. Pastor Delwin got sick with severe stomach ulcers a month ago, which has brought about the gumption for so many to take leadership seriously. Delwin seems to be recuperating just fine, but he is taking a couple of months to rest, and he assigned others to fill in for preaching and other teaching positions. Since then, Lenin has been teaching Theology on Wednesday nights, and others have filled in to teach on Saturdays and Sundays.
