From Coast to Coast . . . to Coast

We had a busy summer, with much traveling and meeting friends and family. We went from the Coasts of the Great Lakes to the Atlantic Coast, then across to the French Atlantic Coast and the Mediterranean Sea in Spain! We have tried to include lots of pictures, but there is so much to share! We'd love to sit down with any of you and talk more about what God has been doing and teaching us!

Michigan

In Michigan, we were able to speak and to share our ministry at Jenison Bible Church and Trinity Baptist Church in Imlay City. It is always a privilege to share what the Lord is doing and meet fellow believers. We also enjoyed so much good fellowship with family and friends during the week (and, of course, a day at Lake Michigan). It was such a great week of encouragement for our whole family.

Virginia

We were able to visit with Kara's family in Virginia, who we had not seen in three years, for a week as well. The children were able to visit Williamsburg, Jamestown, Yorktown, and the Atlantic Ocean (their first time seeing an ocean)! On the way home, we were able to stop and see several friends and family. It was an amazing time of fellowship across the U.S.

France

In August, we flew to Bordeaux, France with our teammate Laura to visit our TBM missionaries, Kent and Sonya Becker. We were able to spend several days with them seeing the countryside, attending their house church, and meeting the people with whom they're working. It was encouraging to spend that time of fellowship with them and hear what the spiritual state of France is right now. Pray for France and the Beckers!

Spain

After visiting the Beckers, we traveled with them down to Barcelona, Spain to attend our TBM European Field Conference. Attending this conference were missionaries from several countries in Europe. It was such an encouraging time to hear from them and their ministries and get to fellowship with them. Despite the intense heat in Barcelona, we had a wonderful time!

Home Again

Now we are all back home and well into the swing of normal autumn activities. We are still planning the trip to Peru for January, and will work to be ready for it over the coming months. Thank you again for partnering with us in the work to which God has called us!
