

The Reichert Report

Issue 1 | September 2023

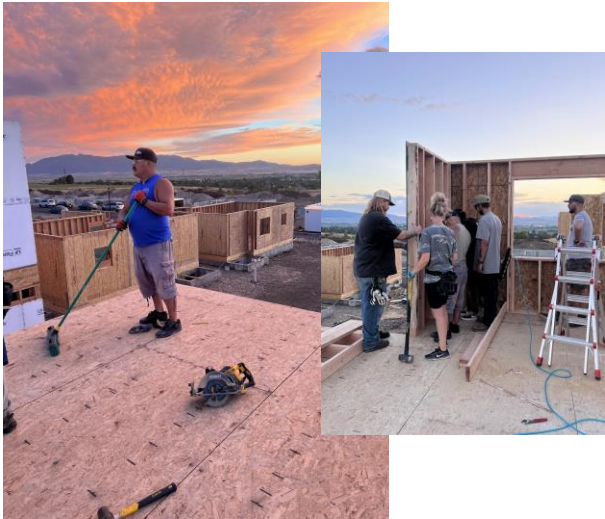

About Us

We are Jaimeson and Haylee Reichert! I (Jaimeson) was born in Colorado and was raised in Nebraska. My family attended church regularly and I always knew that God was calling me to be a pastor. After I graduated high school, I attended college at Frontier School of the Bible in LaGrange, Wy. It was there that I met Haylee! Haylee was born in Florida and raised in Star Valley, Wyoming. Her family also regularly went to church. When she graduated high school, she wanted to be a missionary but wasn't sure where to start. Her pastor suggested she go to Frontier also. We married in 2013 and spent the first few years of our marriage jumping around from place to place. We moved to Logan, UT in 2015. After being here for a few years, we knew that God was calling us to ministry, but we weren't sure where or how. Since living here, we have seen the desperate need for solid Bible believing churches. 86% of the population in Logan and the surrounding areas are Mormon. In 2021, Cache County had the third highest concentration of Latter-Day Saints in the nation.

In 2022, we joined Tentmakers Bible Mission as missionaries. We started an internship with Debby and Jaramie Fellows, and have been attending Grace Bible Church in Tremonton, UT. We both work at an assisted living facility and are currently building our home.

We feel that we have been called to plant a church in Northern Cache Valley. We are cultivating relationships and are starting a Bible study soon with the intention of someday being able to start church services!

Building our House

We are currently building our home through Neighborhood Non-Profit; it is a Sweat Equity program. We build at our site with 7 other families, putting in about 35 hours per week on the site. It is super hard work! We started building in March of 2023 and our expected finish date is March 2024.

Bible Study

Jaimeson has been leading a Bible study once a week at work. He is currently taking a group of individuals through the book of Romans. Through his Bible study, he has had the privilege of leading two of the residents to Christ!

Internship

During our internship, we are under the mentoring of Jaramie and Debby Fellows. We meet a few times a month to discuss the books that they are taking us through, we serve in the church where we can, and are learning essential skills for when we branch out on our own.

Counseling

We are counseling a young couple that we met while building. They are new believers, fresh out of the LDS religion. We are helping them with premarital counseling, are developing friendships with them, and are providing guidance for them with their many questions.

Prayer Requests

- That God will lead more people to be interested in a Bible Study.
- For time management while we work, do ministry, and build our home.
- For our next few months, as we travel and present our ministry to other churches. Pray that God will lead others to support us in prayer and in finances.
- Pray for encouragement for us.

Thank you to those of you who are praying for us and supporting us. It is a great encouragement to us!
