

Video Update

Emmerie and I give a 5-minute update of life, ministry and future goals for the church plant. And we are so thankful for you!

Please Pray

As we prepare for baby boy in December and as we parent our 4 other kids.
As we develop leaders, write a constitution and pursue being an established independent local church.
As we connect with new people to share the gospel clearly and they would respond and get plugged into East Valley's community.
