

# *November 2023 Prayer Letter*

Dear Praying Friends,

There is a light...at the end of the tunnel!

As you know, I was hoping to have the church opened and operational by September. Happy November! We are still working on it! We have felt that we take one step forward in the right direction, but then something comes up that makes us take two steps back. We are grateful for all the things we get to repair now before we are officially open, but I would like to have the church open.

People are still interested in the renovation. They still come by and ask me what is going up in the space, and we have a small conversation after they recover themselves from the shock—"a church!?" It is quite funny.

We expect to see some big progress happening soon in the space. The air conditioning units are in place, the drop ceiling is mostly in place, lights are almost ready to go in. We should finish with the paint, hang the doors, install the flooring, and then we can order the furniture!

I am hesitant to say this, but I am praying that we can be **open by December**. I

would like to advertise and hold a Christmas Eve service at our new location. I think it would be a great opportunity for people to invite their friends and family to church. Would you help us pray for that? **Please pray that God would work all the missing pieces for this project so we can open the doors to the community by the first week of December.** I know it will be in His time, as I said, everything that we have done now has been better to do it now than later. God knows. I just want to be done with construction work for a little bit.

In other news, a couple of weeks ago we attended a conference with the Billy Graham Association as a family. We got the chance to go and see other volunteers who are sharing the gospel online. It is always great to see them face-to-face, hear the stories of conversations they have had, and have a chance to encourage them in person.

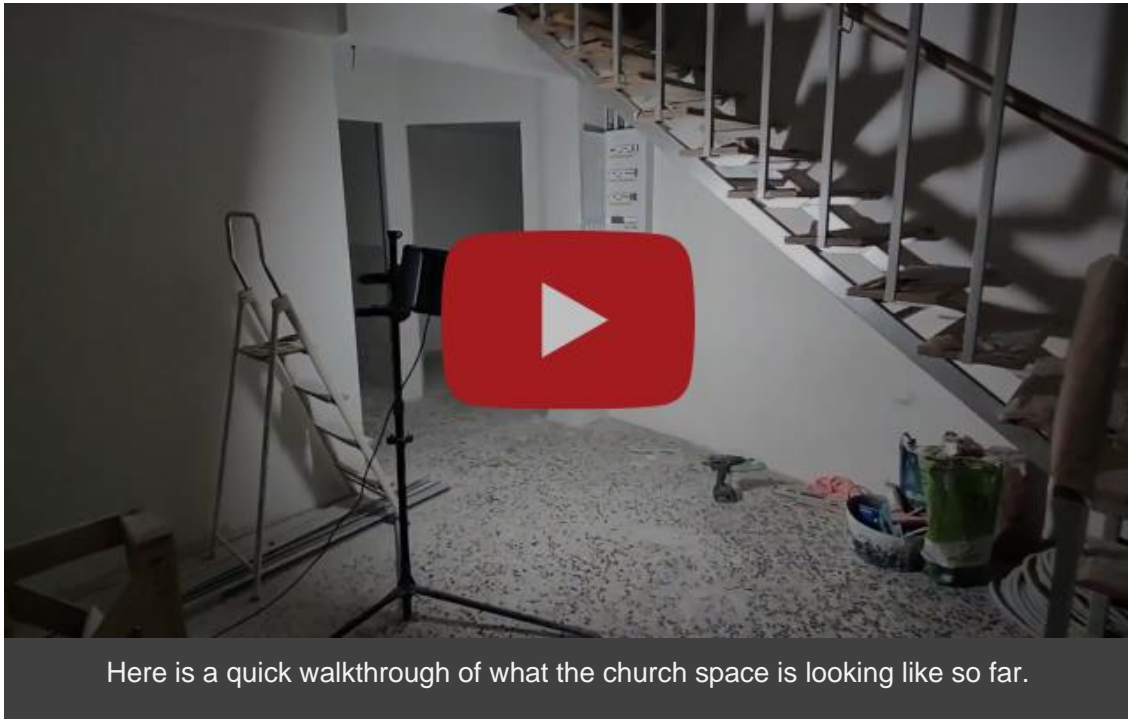

I would like to ask you to pray for a couple of upcoming things. First, I am going to be **speaking at a youth camp** this December. I have heard from the director that 44 teenagers have signed up to attend and many of them are not believers. Would you pray for them? **Please pray that God will be working in their lives and the preaching of the will bring conviction and hope in Jesus to their lives.**

Secondly, I would like to ask you to pray with us for an evangelistic campaign we anticipate in partnership with Decision Spain in July 2024. I have attended one of their campaigns before and I like what they do and I am excited to see them working with us here in Fraga. I'll give you more details about it as we work on it in the upcoming months. In February, we plan to meet with the Mayor of Fraga to present the project and request the use of public spaces and some equipment that the city has available for events. As you remember to

pray for us, please pray for this city and its government officials. **Please pray that God may open doors for this campaign and He may draw many people to Himself as a result of the activities in July.**

Here is a link to the website of Decision, Spain where you can see what they have done in the past: <https://decision.plus/en/international-fellowship-festival/>

If you would like to financially support this particular event, we could use your help! Decision needs us to pay 3800€ between now and the time of the campaign. If you would like to help us meet that need, we will be, as always, very grateful. If you make a donation toward this purpose, please send us a message indicating your support of the Decision Campaign in Fraga.

## Prayer Points

- That God would work all the missing pieces for the building project so we can open the doors by the first week of December.
- That God will be working in the lives attending the youth camp and that the preaching will bring them conviction and hope in Jesus.
- That God may open doors for the Decision campaign, and He may draw many people to Himself as a result of these activities in July.

Thank you for your support in prayer and financially, for your encouragement, and for being at the other end of this email; It means a lot to us that you are there and interceding on our behalf for the glory of God in our ministry.

All for Jesus!

Victor and Maddy Ramirez
