

God is moving!

This photo is of the first official gathering for The Village Church LV! We hosted an "Interest Gathering" where we shared a bit about the vision for The Village Church, answered questions and shared the Gospel. Each person here has expressed interest in joining what we are calling our Launch Team. We will continue to host these gatherings over the next few months. Our next meeting is on December 9th.

Please Pray:

- That God would grow this group both spiritually and numerically.
- That out of this team God would reveal those mature enough to become part of our leadership team.

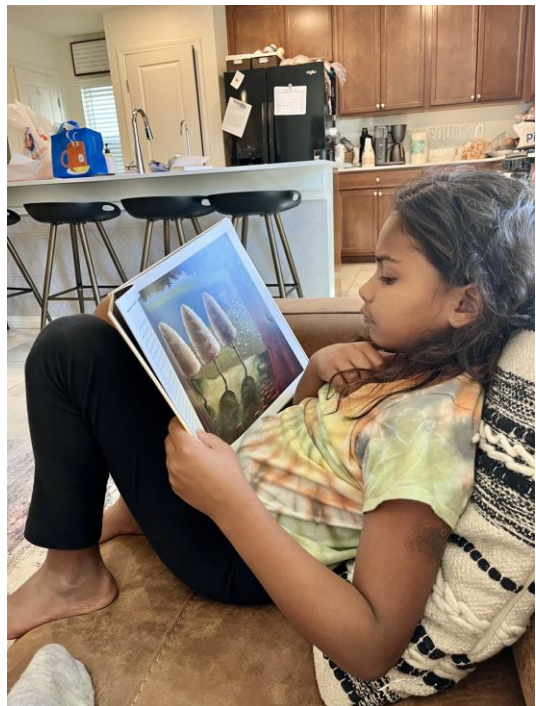

In June, we started a parenting small group. It has been such a blessing! We have had so much fun together and feel a sense of true fellowship.

Please Pray:

- For our new study beginning in December on how Jesus reached the world one person at a time.
 - That God would lead some of these couples to join our launch team – specifically Justin & Elsa as they have recently expressed interest.

The Kiddos

- Chirysh is doing a lot of babysitting, geometry and growing up too fast. Pray for her as she attempts to finish her sophomore and junior years of high school in 12 months!
- Michael has grown about 6 inches in the last few months! He is captain of his school's basketball team this year and loving it! Michael is a natural leader. Pray that he continues to develop into a godly leader.
- Lydia has discovered a love of sewing this year. She is having so much fun picking out fabrics for her projects. We are so proud of how she has adjusted to traditional school this year. Please pray that she will grow more confident.
- Ruby played soccer again this fall with a great team. She has taken to school like a fish to water. We are so thankful for a teacher that cheers her on. Ruby asks lots of questions about the "whys" of the Bible, pray that she will be able to comprehend the answers to her MANY questions.

Thank you so much for being part of our adventure. It means more than we can express. As always, please reach out to us with any prayer requests. It is an honor to pray with you! We pray that your Christmas season is full of the opportunities to share the love of Jesus.

Blessings ~ Bradley, Annie, Chirysh, Michael, Lydia & Ruby
