

# *December 2022 Prayer Letter*

Dear Faithful Supporters,

This Christmas season we hope that your home and your heart will be filled with the presence of God and a peace that surpasses all understanding in the midst of all conflict, difficulty, and circumstances you might be surrounded with.

We are looking forward to seeing our Spanish side of the family this year for Christmas and celebrating the greatest gift of all. In fact, Donovan was able to explain the true meaning of Christmas at school recently. We praise God that he was able to share a little bit about Jesus with his classmates and teacher.

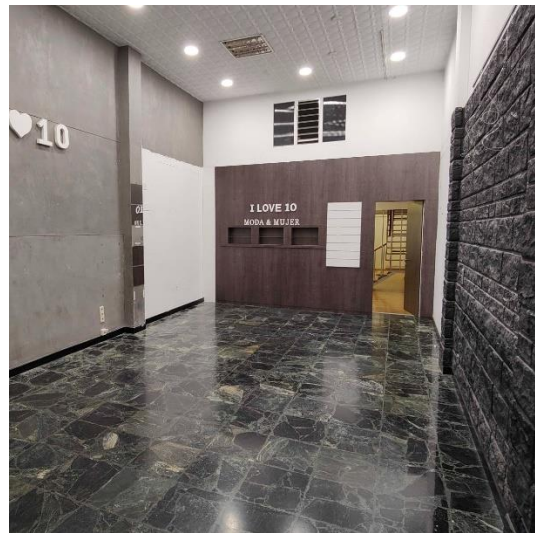

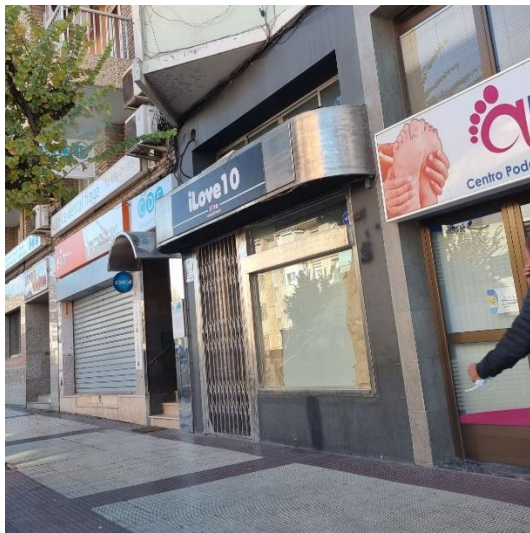

I want to share with you something big that's coming up in 2023:

God has provided a place for our church!

This space has so much potential! The primary purpose of the location is of course a meeting place for the church. We are looking forward to inviting people to join us for Bible studies and worship.

It has a great location, and we want to offer activities that would keep people coming to this place. We will be offering English classes in the afternoons and the students will be exposed to Christian materials that will spark gospel conversations as I have already done with them. I also would like to offer Christian counseling for families and individuals. I have met many people who are struggling with anxiety, depression, etc. that are receiving a humanistic answer to their God-need. We can provide a better answer through the Bible! I look forward to having a safe space where people can come and meet Jesus. I am going to receive training for a relapse prevention and addiction recovery program to offer a Biblical response to addictions this January. One of the effects of the pandemic in our area has been an increase in substance abuse, and it is causing problems in families in our community.

There are some details that need to hash out still, and we are hoping to be able to get into the building by the end of April. We are praying for it to be sooner. We will need to do some remodeling to get the space fit for church use. I'll keep you updated on the progress the best I can.

## Prayer Points

- Please join us praising God for this storefront and for how He is working to establish this church here.
- Help us pray that everything will go smoothly in our entering into this space and that we may be able to get into the space sooner and start with the remodel.
- Pray for the people we have shared the gospel with, that they would be able to reflect on the gift of God this Christmas and accept Him as their Savior.

We are very excited about this and how God has been working in this situation so far. Thank you so much for your support of our work here in Fraga, Spain.

Although we will try to save as much as we can, there will be many expenses as we move into the space such as handicap accessibility and furnishings. Would you pray about this and ask God if you could partner with us in this area? I'd love to give you more details about specific

needs soon.

We wish you a very Merry Christmas  
and a blessed New Year!

All for Jesus!

Victor and Maddy Ramirez
