

Happy New Year from Tarapoto! We are thankful for a great year and look forward to what God has in store for us this year.

There's a group from the mission (TBM) coming in tomorrow that will stay through Jan 30th. They will be teaching a leadership course among other things and there is quite the excitement in the Community Bible Church (CBC).

We also have two young girls staying on as short-term missionaries for three months. So, there's some more exciting events scheduled for this. Please pray for wisdom as we want to invest in their lives, showing them what God is doing here in Tarapoto.

Thanks for your faithful prayers and financial support this past year and as we continue to serve the Lord. Techy was able to be in Dallas for Christmas and New Years to visit the married kids and our grandson Judah.

**Techy with Judah in Marcos and Allyson's house**

**Supper with Marcos & Allyson, Sarita y Jonathan and Lucas y Taylor**

We really thank God for each one of our married children and their spouses who are just what our kids need. God is so good to put the right people together to serve Him.

**Techy arrived this morning to our great enjoyment!**

We also thank God for Jennifer, our only child left at home. Delwin's health is better and he's preaching and teaching more but also the men and youth in the CBT have really stepped up and are doing a great job.

Thanks again for your love for us in praying faithfully and sharing generously for the work of the ministry!

Have a great day and God bless,

Delwin & Techy Fowler
