

2023

HAPPY NEW YEAR

2024

stepsofffaithforjesus@gmail.com

It's a new year and we have so much to look forward to....

This is the year that so many things are changing. God is leading me to some pretty amazing things and I'm so glad you are coming along with me.

2023 was a great year. Growing in my relationship with Jesus, stretched me in new ways. Serving in Africa has changed how I see the world. It has allowed me to see the Lord better too, better than if I never left the US. To see the Lord move and work in the lives of the African people is above and beyond any words I could express. I have seen God's heart for people and I'm humbled to be a part of it.

Looking back at 2023, there are many things to be grateful for. Now, I'm looking

forward to much much, more. Teaching God's Word and building relationships is always a highlight for me. Spending the last 3+ years in Kenya has been a blessing. The friendships and relationships I have made there are some of the most dear to my heart. Now I can look forward to making new relationships in a new country. The Lord is always at work and walking by faith with Him is a privilege. I have been sent to a new place, to reap the harvest.

Matthew 9:37-38 (amp)

Then He said to His disciples, "The harvest is [indeed] plentiful, but the workers are few. So pray to the Lord of the harvest to send out workers into His harvest."

THANK YOU FOR SUPPORTING THE MINISTRY IN AFRICA. I LOOK FORWARD TO ANOTHER YEAR OF SERVING TOGETHER.

PRAISE FROM 2023

One of many blessings of 2023 was getting engaged to Percy. The Lords timing is always perfect.

Teaching Gods Word is always the best part. What a privilege it is to share His truth and love with others.

Sharing about what the Lord is doing in Africa...the harvest is plentiful.

The year ahead....

We have met the new year with new opportunities to lean into Jesus....and to trust His perfect plan for our lives.

Because you have been with me for a while now, you might have noticed that living in a foreign country takes a lot of paper work HAHA It took me some time to learn how the Kenyan immigration system worked; now Percy and I both get to learn how Uganda's immigration system works.

Percy has completed his second of two applications for TBM. We are excited to even have the opportunity to apply to TBM and for Percy to become a missionary with them. Not all mission agencies allow foreign nationals to come under them. If accepted, we will be serving together as husband and wife planting a church here in Uganda. Isn't God amazing!!!

Please PRAY with us for God's will in this application process. That we will continue to wait for God's perfect timing and to keep seeking to do what is best for our relationship/future marriage and ministry. **Please also PRAY** that the Lord will keep us in His perfect peace throughout this process.

Paper work is never ending. Once we get everything filed the first time, then the next time is much easier.

Please PRAY with us that we will clearly understand what is needed for:

- My dependent pass (after we get married)
- Our marriage license
- Percy's visa to the US

I will be on a visitors visa in Uganda from the end of January up until I become a dependent under Percy.

Please PRAY I will be able to receive it and that we can extend it when needed.

John 13:34-35

I am giving you a new commandment, that you love one another. Just as I have loved you, so you too are to love one another. By this everyone will know that you are My disciples, if you have love and unselfish concern for one another.

WEDDING TIME

May 18th, 2024

The wedding is quickly approaching and we can't wait. We still have many decisions to make and for me, I love the planning part...and then of course the party!!

Please PRAY we will find the best venue for us, that we will be able to represent both cultures and, most importantly, that we will honor and give glory to the Lord for all He has done in our lives.

Praise:

- New year new opportunities
- God's never changing Word
- New house
- New friends
- Learning my way around
- Holidays with my new family

Prayer:

- TBM application
- Settling into my new home
- Marriage paper work
- Percy's US visa
- Wedding planning
- Finances

I can't thank you enough for all your love and support this last year. I'm so excited to have you on this journey with me.

Thank you for your faithfulness and for interceding for me and now for me and Percy. I can't wait for you to meet him and to get to know him. What an amazing adventure it has been so far.

Because of His Grace

Love
