

## 1 Thes 5:24 "The One who calls you is faithful, and He will do it."

When I start thinking back over the last three months I am overwhelmed by God's faithfulness and His goodness to us!

### Praises:

- In January, Bradley was able to quit his job at Costco! We are so thankful for the extra time he can devote to The Village Church.
- Bradley started teaching a bible study at The Lovewell Center. This center ministers to our large homeless population.
- We felt so loved and encouraged at our first "Village Party"! In addition to those who came to learn more about our ministry, we were blessed by friends, Costco co-workers, church partners from around the city, and a mission's team that served in multiple areas during the evening.

- Our bible study continues to grow little by little. Last week we had 3 new families come after attending the Village Party.
- We have new opportunities for discipleship.
- We have met with 5 different couple/individuals over the last couple of weeks who have expressed interest in joining our church plant.
- Chirysh got her first job at Chick Fil A!
- We got to travel to Bradley's family for Christmas.

## Pray:

- For the "After Party" on Monday. We want to clearly communicate the vision God has placed in our hearts for the Village Church. We want Him to place that same vision in the hearts of those called to join us.
- That God will give us wisdom as He builds our launch team.
- For our community groups to multiply. We are going to begin meeting every Sunday night. We plan to have a park night the first Sundays of the month and then regular community group/ bible study on the other weeks.
- We are blessed to have a few families with teens, so we will have them all over on the 12th of April. Pray for good connections.
- For us to identify leaders for the community groups
- For God to clearly direct us as we build relationships with two wonderful couples that have shown interest in joining our launch team. As we are getting to know them, we think they could even be great lead/core team members.
- That we will always make our family our first ministry and priority

*We are so grateful for each of you!*

Blessings, Bradley, Annie, Chirysh, Micheal, Lydia, Ruby
