

Preparing for Perú!

Marcos is working hard, studying (when Judah will let him) for his internship with FSB through Plano Bible Chapel (PBC) that he will complete in May!

Here Marcos is interpreting the sermon for the Spanish speakers at church. They wear a headset and Marcos interprets in real time.

Fellowship with the ladies of the Spanish ministry!

Marcos just finished teaching an 8-week Sunday school class about Christian Living. He is now teaching a Wednesday night Bible study on Ephesians.

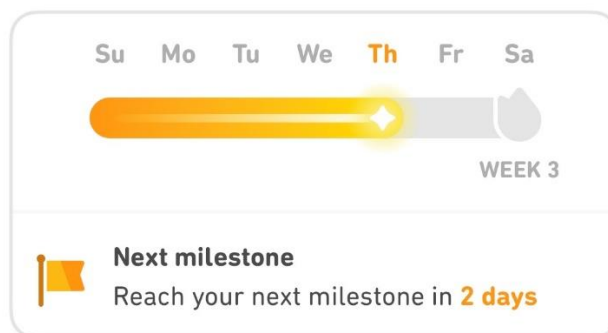

Allyson has been taking Spanish lessons with Mrs. Leininger, her teacher from high school, since June of last year. She is a great teacher and Allyson has been learning so much!

She has also been consistently practicing on Duolingo.

48 day streak!

Preparing for the future

We are officially missionaries with Tentmakers Bible Mission and have been commissioned by PBC.

We have a lease with our apartment until spring of 2025. In the meantime, we are preparing to move to Perú for full-time ministry.

When we move there, Allyson will go to language school in Arequipa until she is confident in her ability to communicate clearly.

When Allyson finishes language school we will move back to Tarapoto and begin serving at Comunidad Bíblica. We will also be traveling to different villages, preaching and teaching with our friends Josh and Charity, who are serving there now.

If you want more information about us, you can visit our missionary page here:

Prayer Requests:

- Please pray that we will trust in God this coming year to provide for all of our needs as we prepare to move.
- We have Peruvian neighbors that we have begun friendships with. Please pray for opportunities to share the gospel with them.
- Pray for the current ministries we are serving in at church, that we would learn how to teach and lead effectively.
