

LeAnn & Percy

REQUEST YOUR PRESENCE...

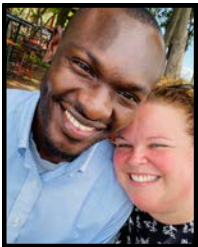

May 18th, 2024
Mbale Uganda

The wedding is fast approaching and we couldn't be more excited for our special day. Planning a wedding in a different culture has its challenges, but God is good and gracious and is helping it all come together.

PLEASE PRAY: *That final preparations come together smoothly and that we will not lose sight of Who brought us together and what is most important on that day...honoring the Lord. ♥*

I have been learning so much about Uganda. If you ever want to learn a culture really quickly, marry a local. HAHA. The Lord has been so faithful and

gracious to me in this time of transition. Learning a new culture takes time and I jumped into the deep end. As I learn my way around life here, I'm reminded of how big my world

has become. I have friends from all over the world. Some are fellow brothers and sisters in Christ and some are not....yet! The Lord has made my world so big and I'm humbled. I feel so small in comparison to the Creator of the universe and His BIG BIG love for me.

The Lord has great things planned for Percy and me. The road ahead of us is filled with adventure and we are trusting the Lord's leading.

As we talk about our future of church planting, family, travel and telling people about Jesus, it's exciting to think about all the possibilities.

PLEASE PRAY: *We seek to make sure we hold our plans loosely, so that we don't get ahead of the Lord.*

Psalms 37:5 "Commit your way to the Lord, Trust also in Him, and He will do it".

Spring Bible Ministry is growing slowly by slowly. God has provided, through the giving of church members, metal for the roof.

As I sat in church last week, I was encouraged by Percy's and John's desire to simply keep pushing forward. Starting anything from scratch isn't easy, but planting a church is a true labor of

love. We are meeting regularly and trusting the Lord to teach the people by teaching them the Word of God. We are making plans to have a community outreach after the wedding. We want to introduce the church and ourselves to the community.

PLEASE PRAY: *the Lord will lead us in the best way to reach out to the community. There is a large number of Muslims and we desire to build relationships with them and love them like Jesus.*

Percy will have his TBM interview on May 7th. We are thrilled to have this opportunity to pursue being a part of TBM as a married couple. Church planting is a wonderful ministry and to have the experience of TBM and the board members walking alongside us would be such a blessing.

PLEASE PRAY: *for Percy as he prepares his mind and heart for the interview. Pray that TBM sees our vision and heart to reach the people of Uganda through church planting and that he will be accepted as a TBM missionary.*

Psalms 119:116

"Sustain me according to your word, that I may live and do not let me be ashamed of my hope".

Thank you for your love, support and prayers.

Life is moving fast and some days it's hard to keep up, but there are so many wonderful things happening. I'm blessed to have you with me on this journey. The next chapter is going to be a great one. Thank you for loving me and for now loving Percy. Together, let us seek to have the Lord direct our steps.

Thank you for your faithfulness in prayer and giving to the ministry in Africa.

Because of His Grace,
Love LeAnn <><
